R6

COBALT

R6

## Sleek, sporty and luxurious.

You really can have it all.

The R6 represents the next generation of R-Series boats from Cobalt. The perfect combination of unbridled excitement and true elegance.

The Cobalt R-Series has always pushed boating forward in unexpected ways, ranging from a comfortable, efficient and stylish interior layout to sleek exterior lines. The 25' 9" R6 sports many features including increased storage for water sports gear, larger Cobalt Glass Cockpit touchscreens, a transom-mounted camera, and a built-in security locator function.

With an interior beam measuring wider than most competitive runabouts, the R6 offers a roomy, expansive interior. Add the wrap-around yacht style seating, and there's plenty of room for passengers and their things. Plus, the double-stitched upholstery now offers new cool-to-touch Fresco Chil vinyl on the darker colors, that provide surface temperature reductions of up to 20° on sunny days.

These features, and many more, like several foldable tower options, an innovative high-dock safety step, and a self-bailing cockpit make the R6 truly the next generation bowrider!
