MORE STANDARD FEATURES MORE VALUE

Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it "bang for the buck," "more for your money," or simply "more value." We've built a reputation for bringing RV owners more standard features for less money for more than 25 years . . . and it's a reputation we plan to keep.

100% PRE-DELIVERY INSPECTION

At Dutchmen, quality is standard. Every single Dutchmen RV that comes off the line receives its own pre-delivery inspection. Every unit undergoes a thorough 253-point check to ensure accurate measurements, fully-functional electronics and components.

THE INDUSTRY'S BEST RV WARRANTY

With this industry-best warranty, we take the guessing game out of what is and isn't covered. So, that means you don't have to wrangle over the details, because we deliver value by clearly outlining the major components we back during the first three years.

THE LEADER IN PARTS AND SERVICE

Replacement parts. Routine checkups. Expert advice. You name it and we've got it covered. When only the best RV services will suffice, our industry-leading parts and service department is ready to help you get back on the road - and stay there longer than ever before.

*Length is defined as the distance from the centerline of hitch pin/coupler to rear bumper of trailer. **Our weights represent how most units are built, inclusive of many commonly-ordered options. ***Fresh water capacity includes water heater capacity.
