**OPEN RANGE AND OPEN RANGE *JOURNEYER* —
A FULL RANGE OF TRAVEL TRAILERS AND FIFTH WHEELS**

On a Mission

At Open Range RV, we are on a mission to...

Fulfill the trailer needs of our dealer base and retail customers, and in doing so, exceed their expectations for service, quality and value.

Earn our dealers', retail customers' and employees' long-term loyalty by delivering more than we promise, in a fair and honest business manner.

Motivate our employees to provide exceptional service and quality to our retail customers and dealers.

Compensate our employees fairly and provide opportunity for personal growth within our company.

Although it is our goal to provide a product that exceeds our customer needs and level of quality, we do not strive to be the biggest or the most profitable. In the end, we believe satisfied customers, dealers and employees will bring growth and long term profitability for all.

For almost 30 years, I have had the great fortune to work in the amazing industry of RV manufacturing. This industry runs through my blood and is the passion of my life. This has been a dream come true for me and my family. I would like to thank everyone who believed in us as an RV Manufacturer. At Open Range our motto is ENJOY THE JOURNEY!

It has been an amazing JOURNEY so far! Come join us on this great JOURNEY, we don't want you to miss another moment of it.

Enjoy the Journey!

Randy Graber, President
Open Range RV Company

385 RLS

COMFORT STYLE SPACE

These pictures highlight the Open Range model 385 RLS. This model comes equipped with luxurious two-tone cabinetry, a stunning 42" LCD flat screen TV, fireplace, slide out desktop, and a pot and pan rack overhanging the galley kitchen featuring Corian® countertops. The three ring wine rack houses your favorite wines. While the matching spice rack, below the galley sink, keeps key ingredients at your fingertips for all your favorite dishes.

337 RLS

Don't miss the new side aisle bathroom! Its large vessel bowl sink and single lever faucet, give this model high marks in fine living. The linen closet contains ample countertop which can also be converted to a washer/dryer cabinet. Open Range placed this feature in the bathroom on Armstrong® linoleum instead of the front bedroom closet on carpeting. You would never have the washer/dryer in your bedroom closet at home! At Open Range, we are committed to combining the conveniences and comforts of home with the freedom of the open road.

Admire the beauty of the 391 RES showcased in the very popular Sheridan décor. A 42" LCD flat screen TV, fireplace, and full panoramic view are just a few of the outstanding features in this model. Open Range believes details are what we do best. We think you will agree once you experience the portable kitchen island with Corian® countertops and the dual functioning ottoman/storage unit. The 391 RES is built to meet all of your entertaining needs from the large opposing slide outs that offer extensive floor space to the full-size residential hide-a-bed sofa. You can just imagine yourself lounging in this model entertaining with no restraints.

Presenting...

Journeyer TRAVEL TRAILERS AND FIFTH WHEELS

Open Range heard its customer call out for a travel trailer that feels like a fifth wheel with a lower price point. Customers also wanted the ability to tow with a smaller vehicle, and still not compromise the quality or integrity of the "Original" Open Range. We have expanded our line to include the Open Range Journeyer travel trailer as well as a select group of fifth wheel Journeyer floor plans. And don't worry; we did not leave out all the extra features and details we are known for! See for yourself on the features and comparisons on back page.

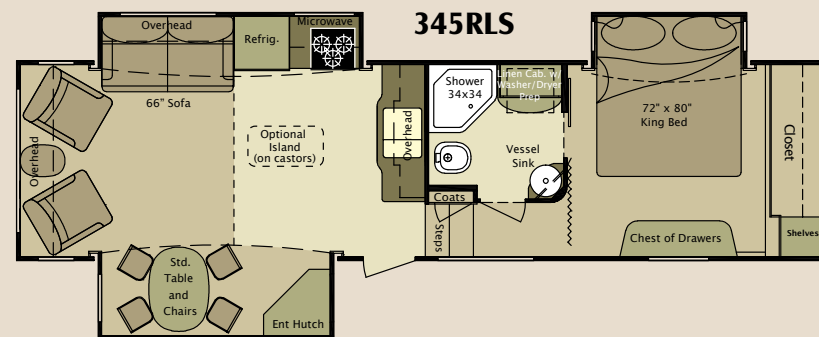

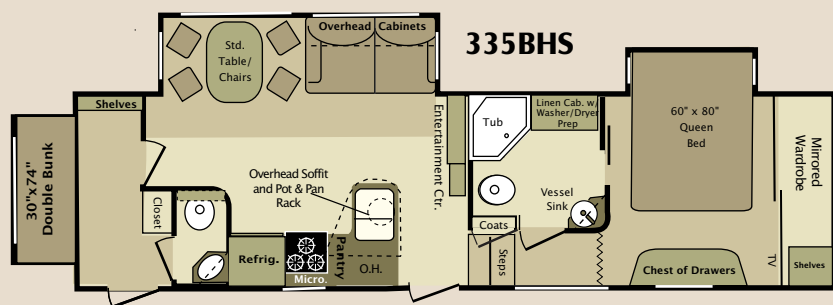

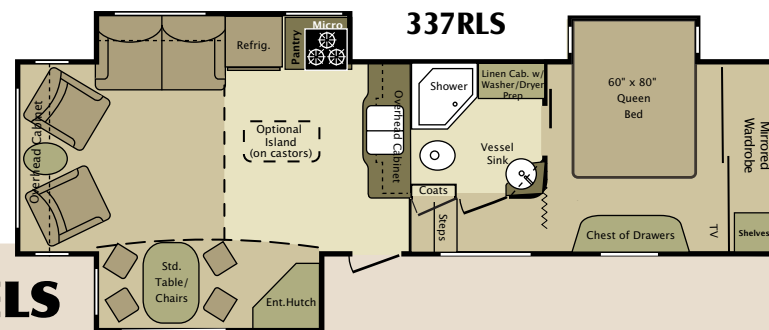

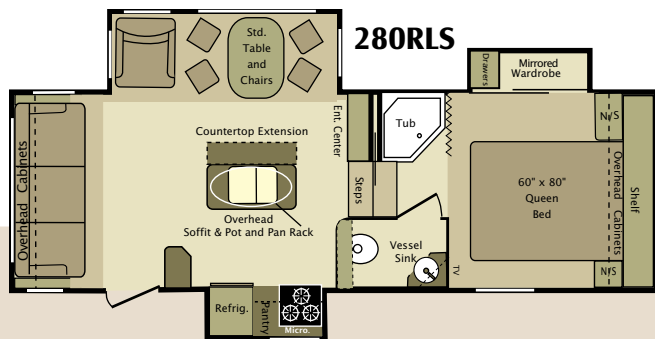

WOW! Here we are in the JT331BHS. This Journeyer Travel Trailer only weighs 7,800 lbs. The stunning feature of the model is the "King Size U-shaped Lounge". This U-shaped dinette and lounge will not make you feel old before your time like other models you may have experienced. This lounge is as comfortable as the furniture in your own living room at home. With the adjustable swiveling dinette tables, it is "easy in" and "easy out". This U-shaped lounge features two air mattress hide-a-beds that can form a king size bed. By using only one of the mattresses, you still have a dinette available.

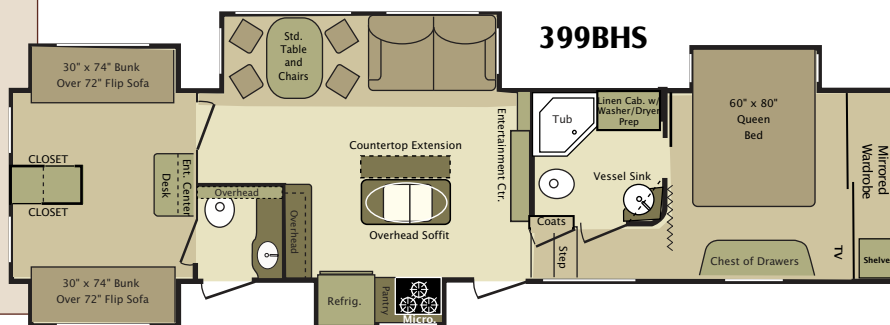

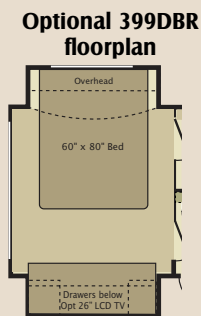

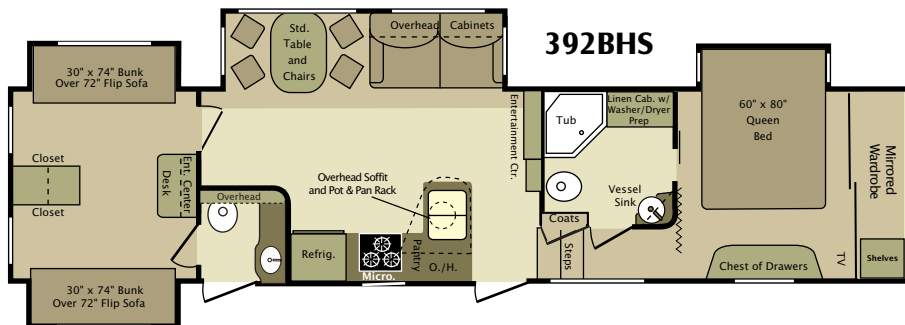

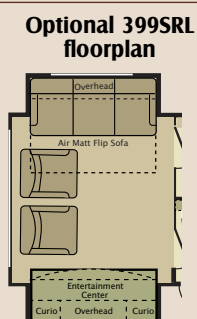

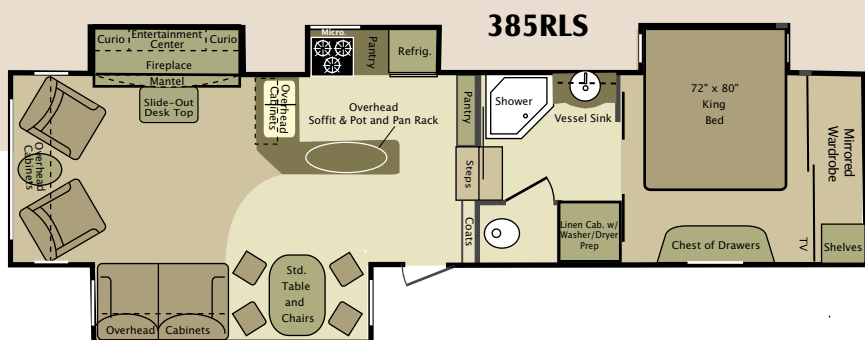

Notice the 6' slide out ceiling clearance! Clearance others only dream about! Most travel trailers make you feel like you are walking in a cramped tunnel. Not Open Range! Experience it and see the difference. With the 100" wide coach, this travel trailer comes with an island king bed; no other travel trailer delivers such luxury.
