PUMA BUNK TRAVEL TRAILERS

Kids love this versatile bunk room that can sleep up to four. It has well designed L-shaped bunks and a jack knife sofa that folds down into a bed.

FIND THE PERFECT RV WITH PUMA

Whether it's just the two of you, a family set on adventure, or a getaway with a group of friends, these well equipped Travel Trailers, Fifth Wheels, Destination Trailers and Toy Haulers enhance your vacation adventures. Puma is loaded with these comforts: a 21" oven with LED backlit controls and a glass range cover, a pull-down faucet with stainless steel undermount sink and covers, an 11 cu. ft. 12V refrigerator, a 1.3 cu. ft. stainless steel microwave, adjustable roller shades, and a spacious walk-in pantry. A 5100 BTU color changing electric fireplace adds warmth – and is included in the Limited Edition Package.

Stay well organized on the go with plenty of extra storage under the U-dinette and sofa. Both convert to sleeping accommodations. 28 BHSS with Granite decor and optional TV shown here.

32 BHIS features 48" x 76" double over double bunks with a built-in bunk ladder and individual USB charging ports. (Outside storage is underneath.)

32 BHIS includes this convertible 84" U-dinette/sleeping area with storage and 110V outlet underneath.

WHEN IT COMES TO CHOICE, PUMA GOES THE DISTANCE

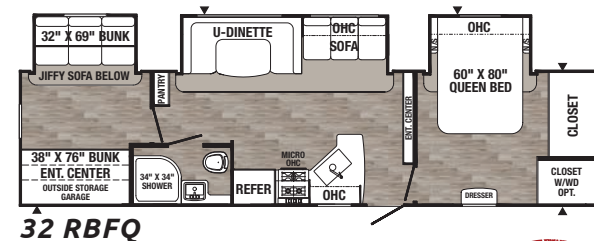

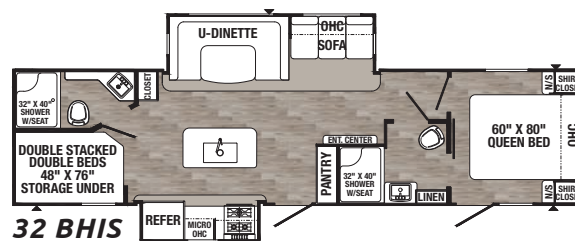

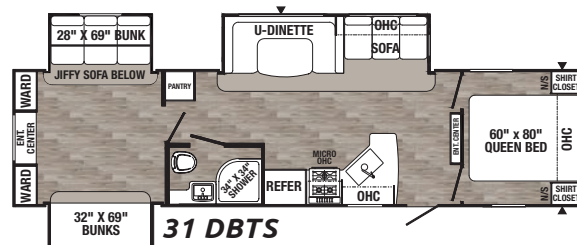

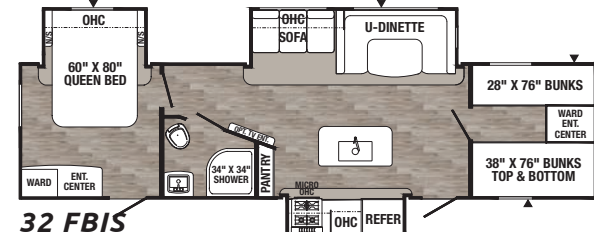

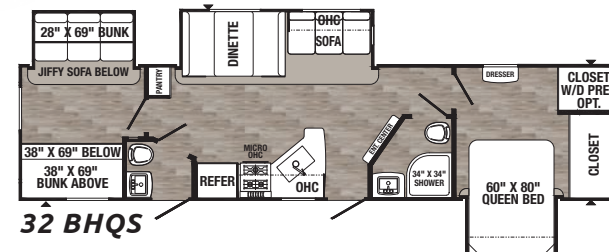

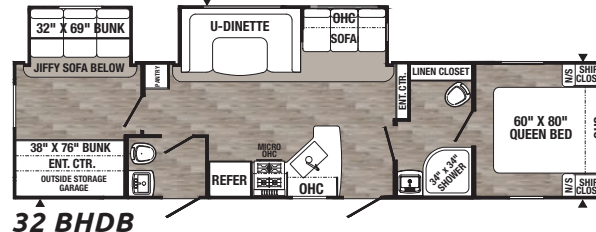

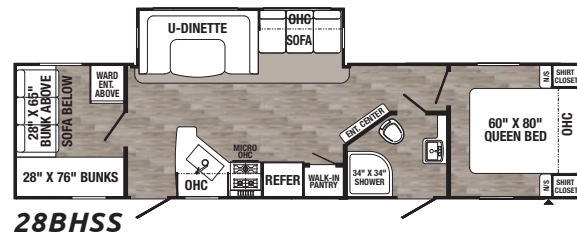

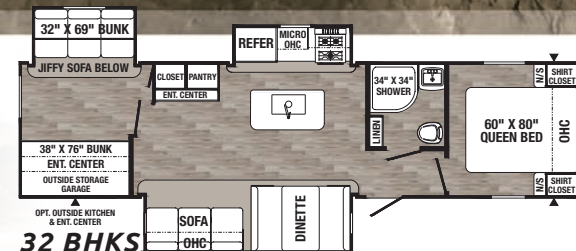

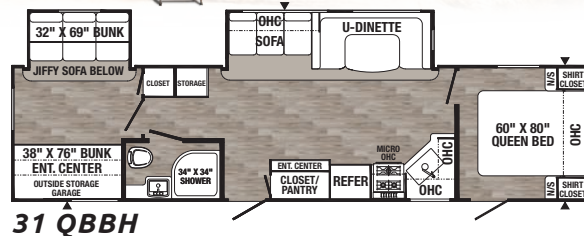

Puma's broad selection of bunk and non-bunk floorplans are designed to make you feel right at home. Choose Granite or Stardust decor (shown on back cover).

Plan, pack and store much more! This ergonomic kitchen provides a place for everything – from a silverware drawer, to an easy access pantry, to dedicated pot and pan storage. It's easy to keep this kitchen tidy. The modern design includes cabinets with contemporary glass panels, a decorative backsplash, energy efficient LED lighting – with both pendants above, and accents under the island counter. The stainless steel undermount sink has roll-up sink covers and a pull-down faucet. Convenient USB ports are located throughout.

This double entry bath includes a 32" x 40" shower with a glass door and built-in seat, plus a wooden medicine cabinet and plenty of linen storage.

A COMFORTABLE VACATION GETAWAY

Puma fifth wheels are loaded with homestyle conveniences. There's well-planned storage everywhere – even under the sofa and dinette. The hallway closets are loaded with shelves and drawers for an extended stay. Pack everything you need for your next adventure. Kitchen features include stainless steel appliances, a 12V, 11 cu. ft. refrigerator, a high-rise pull-down faucet, an undermount stainless steel sink, glass range cover and decorative backsplash.

The 289 BHS is designed with a contemporary, privacy enhancing barn door. Storage can be easily accessed from both sides of the L-shaped galley. Puma is built with sturdy mortise and tenon cabinets, with attractive black hardware. The Convenience Center panel provides easy access to control slides, awning, interior and porch lights, the water pump and heater, and displays the battery and tank capacities from one central location. Convenient USB ports are located throughout.

The private, double stacked 55" x 69" bunk bedroom is a fun place for kids to unwind at the end of a busy day.

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.
