MULTI FUNCTIONAL VEHICLES

COURAGEOUSLY BOLD AND DETERMINED MULTIFUNCT

MODEL 36V11

ALL MODELS

MODEL 41V15

IONAL VEHICLES

Over a year in the making, driven by feedback from you. Valor delivers the bold mix of features you demand while breaking new ground in the industry and courageously engineering a superior hauler that maximizes comfort, convenience, efficiency, towability and the best ownership experience on the planet. Welcome to your generation of haulers. Go farther, boondock longer, and enjoy the peace of mind that ownership of an ALLIANCE RV affords you.

MODEL 36V11

MODEL 40V13

All haulers are not created equal. Valor offers distinctly different living spaces to fit your personal style be it a huge kitchen for the chef in the family, lots of seating to replay the day on the trails kicked back in front of the entertainment center, or chilling on the side patio with a coffee taking in the outdoors. Valor also features unobstructed garages from eleven to fifteen feet long with a multipoint tie down system and a weather resistant ramp door that can double as a rear patio adding more outdoor living space with the ramp door patio package option.

-VALOR-

40,500 BTU EXCLUSIVE HIGH EFFICIENCY AIR CONDITIONING SYSTEM

Triple 13,500 BTU, ultra quiet, independently controlled direct flow AC units maximize cooling capacity.

50% MORE EFFECTIVE

THE BEST HVAC ON THE MARKET!

Ultra Quiet

- No yelling over a noisy AC to have a conversation or watch TV.

- Easily Run Two on 30 Amp.
- Run all Three on 50 Amp.

- No fighting over the thermostat, have it your way in different zones.

Disruptive Measures:

- Fully Weather Resistant Ramp door – Industry 1st
- 2 x 320 watt solar panels with battery monitor – Industry 1st standard solar panels with a monitor system enabling customer to see battery life in real time

- Fully insulated garage with dedicated A/C and heat source
- Largest in class furnace -40,000 BTU
- Most efficient and effective A/C System – Triple A/C units producing 40,500 BTU of cooling power with the least amount of ductwork in the industry
- Flush floor slides – 100% free of carpet
- High Gloss Sidewalls with Azdel Composite Substrate – Class Exclusive. Mold and Rot Resistant
- Air compressor on board – Industry Exclusive on-board air supply on both exterior sides of the garage.

40,000 BTU FURNACE

We are going the extra mile to help ensure your Alliance RV is "Camp Ready". With holding tanks full, Alliance RV hits the open road for a 15-minute "shakedown" test tow that includes bumps, turns and rapid stops. This open road test identifies potential concerns that would have otherwise only shown up when the coach was in transit to you and your dealer. Following the test drive, we bring the coach into our dedicated Performance Audit Bay for another round of systems checks and white glove inspections. Upon a 100% successful Performance Audit, we deem the RV to truly be "Camp Ready"!

A WARRANTY IS ONLY AS GOOD AS
THE COMPANY THAT BACKS IT.

Every Alliance RV is generously backed with a 3-year limited structural and 1-year limited base warranty. Further, what really makes Alliance RV stand out is our willingness to communicate our guiding principle of "Do The Right Thing". We understand there is not a one size fits all solution when it comes to your warranty and service needs. Our ability to keep open lines of communication with both you and your Alliance dealer will help us find a creative service solution for your specific case. Add to this the unique service and warranty programs we have implemented for our Alliance dealers to streamline the approval process and parts delivery times... all towards the mission of getting our Alliance RV owners back on the road faster and enhancing your RV ownership experience. If you ever want to speak with one of our customer service representatives, please don't hesitate to contact us at (574) 226-0140.

THE MASTERS of

BOONDOCK LONGER
Than ever before!

12VOLT

PACKAGE INCLUDES:

- 100 Amp Hour Lithium Iron Phosphate Battery •
 - Battery Monitor System •

- ✓ 12V Water Pump

SPACE SAVER

Upper Deck

Stronger Design + Flush Upper Deck = Smarter Chassis

Engineers were able to redesign the upper deck to be stronger, while flattening the deck to eliminate the toe breaker steps typically found in this space. Stronger design + flush upper deck = smarter chassis.

-VAL

We listened to RVers to determine the good, bad, and ugly from the people who actually own and frequently use RVs. Unanimously, it was clear that tire blow-outs, insufficient springs, thin shackles, and spring hanger failures was a critical area that needed to be addressed. Next generation advanced frame technology with heavy duty Performance Running Gear. Redesigned from the ground up, the Benchmark Chassis features solid steel 10" I-beam main rails with a 2" torsion tube welded where the running gear attaches, drop frame storage area, flush upper deck design, reinforced goose neck area and a Rota-Flex pin box.

PERFORMANCE RUNNING GEAR

INSULATED

GARAGE FLOOR

FOR MAXIMUM SEASONAL COMFORT

Insulating the garage floor helps keep the garage area comfortable in cold and hot conditions while also reducing noise making the garage area quieter and more enjoyable for everyone.

L-Track

D rings are never where you need them for securing items of varying size and shape. L-Track offers infinite arrangements of anchor points to tie down almost anything.

OR-

Ramp doors are not just for loading anymore. Our ramp doors are weather resistant and engineered to give you 60 square feet of elevated patio space attached to the garage or on the side of model 42V13.

GET PUMPED UP!

Tires and inflatables are topped of with ease using the built-in 12 Volt air compressor with hose connections on both exterior sides of the garage.

Dual 30 gallon fuel tanks on-board. One dedicated to the generator, the other for toys.

Convenient pump style fill hose and nozzle for clean and safe filling of your toys. The fill hose compartment is lockable for security and vented for safety.

OBSESSED WITH PROVIDING THE BEST RV OWNERSHIP EXPERIENCE!

Thank you for your interest in Alliance Recreational Vehicles. Our mission is simple - Provide our customers with the best RV ownership experience! This means creating long-term alliances with our family of product owners and dealer partners, and exceeding expectations every step of the way.

Our vision is to create a product driven by our customers, through their experience and input, and execute on those ideas at the highest level. Innovation and product development is best done in collaboration with the RVing community, and we are listening. Many of us here at Alliance RV have spent the majority of our careers in the RV industry, and we believe our RV owners and dealer partners will welcome an independent and truly different manufacturer that is transparent and dedicated to their customers.

Located on 110 acres in the heart of Elkhart, Indiana, Alliance RV recently broke ground on our second state-of-the-art production facility. Production began in Fall 2019 with our first product line focused on the luxury fifth wheel market. As our progress continues and our designs unfold, we encourage you to join our Facebook group (Alliance RV Group). We are constantly (and obsessively) engaging our future customers to drive what we build at Alliance RV.

We are honored you have taken the time to learn more about Alliance RV, and look forward to your feedback and support as we execute our vision. If you are as obsessed with building a better RV ownership experience as we are, this is only the beginning of a very rewarding long-term 'Alliance'.

Sincerely,

Coley &

Ryan Brady

Co-Founders

Product information is as accurate as possible as of the date of publication of this brochure. Alliance RV is committed to continuous product improvement thus - floorplans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. Certain conditions may require additional equipment. Advertising and marketing Photography may show optional equipment or props used for photography purposes only.

Alliance publishes approximate base weight of the trailer without optional equipment included. Optional equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight.

Tow Vehicle Caution: Retail owners of Alliance recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Alliance products. Alliance disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Alliance's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle.
