FLAGSTAFF CLASSIC SERIES

POPULAR FEATURES

- A. Swing Down Galley (Most Models)
- B. Sliding Storage Trunk (Some Models)
- C. Outside Shower (STD.)
- D. Outside Speaker (STD.)
- E. Bunk Light & Fan (STD.)
- F. Hanging Shirt Bar (STD.)
- G. Porta-Potty (STD 620ST & 425D)
- H. Crank Down Stabilizer Jack with Sand Pad (STD.)
- I. Stereo With CD Player (STD.)

CLASSIC SERIES | 823D

The Classic series has many outstanding features to enhance your camping experience. The swing-down galley and standard power lift make the

Classic a breeze to set-up. The expansive seating throughout the camper gives everyone plenty of room to sit and enjoy themselves.

HIGH WALL SERIES | HW27SC

Cherry-colored cabinetry, stainless steel finishes and beautiful tile-look flooring puts this camper in a class of its own. The Flagstaff High Wall Campers

are perfect for those families who want the luxurious features of a travel trailer in a much lighter towable option. It's your vacation. Go in style.

FLAGSTAFF HIGH WALL SERIES

POPULAR FEATURES

- A. Fantastic Fan (Std. Opt.)
- B. Water Filter (Std. w/ Hot Water Package)
- C. Power Lift With Manual Override
(Std. Classic, HW)
- D. Beautiful hardwall shower with a residential-style flush toilet complete with a 12-gallon black water holding tank. (Std. HW)

Left: No more waiting in line for the showers. While breakfast is started, take a morning shower in privacy without leaving your camper. Our high wall models include a three burner range with cover and oven, microwave, stereo, a larger kitchen sink and shower which brings the finer amenities to tent camping.

FLAGSTAFF TENT CAMPERS: CONSTRUCTION CUTAWAY *Model 625D*

- 13) Easy Lube Axles (Except LTDs)
- 14) Breatheable Canvas Bed End Material
- 15) One-Piece Door (Except LTDs & Hard Sides)

ALKO® AXLES AND EASY LUBE HUBS

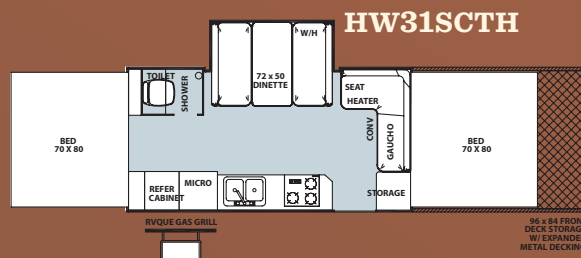

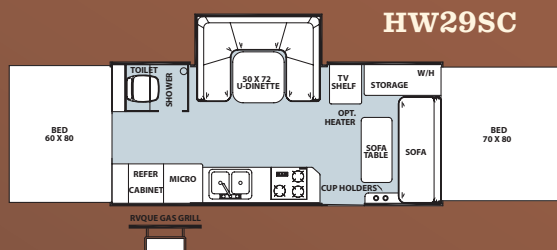

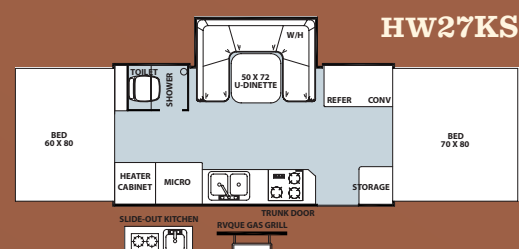

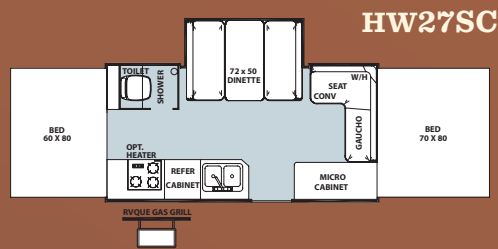

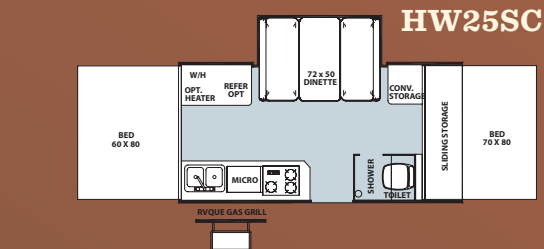

AL-KO Axles offer many advantages over conventional axles:

- Fully independent wheel suspension.
- Lower trailer center of gravity for improved stability.
- No metal to metal contact and no springs, shackles, hangers, or U-bolts to break or wear out.

The UltraLube™ Hubs allow you to repack bearings quickly and easily without disassembly. Note: Torsion Axles on Classics and HW only. Easy-Lube Hubs on all units except LTDs.

PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every 2011 Flagstaff customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.

FOREST RIVER ENCOURAGES YOU TO

BUY LOCALLY

FROM YOUR HOMETOWN DEALERSHIP.

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- 1) Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
- 2) Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.
- 3) Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.
- 4) The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.
- 5) For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 6) Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.

Forest River's Hallmark of Excellence PRE-DELIVERY INSPECTION FACILITIES

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

FLAGSTAFF WARRANTY PROGRAM

For details on Flagstaff's complete warranty program, see your Flagstaff dealer. When it comes to backing products With the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Flagstaff. Flagstaff offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Five-year roof warranty, 2. Twenty-five-year floor warranty, 3. Five-year frame warranty, 4. Five-year tent warranty, 5. Five-year warranty on torsion axle suspension, 6. Limited life-time warranty of lifter system, 7. One-year bumper to bumper. Ask your dealer about the available lifetime structural warranty.

All specifications contained herein are based on the latest product information at time of printing. Forest River reserves the right to make changes in colors, materials, equipment and specifications at any time Without notice and assumes no responsibility for any errors in this brochure.
