ACTION CAMPING™

CHOOSE FROM THREE DISTINCT SERIES DESIGNED WITH YOU IN MIND

WELCOME TO ACTION CAMPING™

From Side-by-Sides to golf carts, kayaks to _____ (you fill in the blank) hobbies; we are excited to introduce a whole new breed of RVers. You are **Action Camping™** folks because that's what you do. And XLR Toy Haulers make it happen in complete comfort, with the most rugged construction features available today.

BOOST FIFTH WHEEL

This is the best value on the market in Fifth Wheel Toy Haulers! The Boost series will make you a believer. These 102" wide models are ready to get you out on the road and back in the woods. You'll find four distinct floorplans to choose from.

BOOST TRAVEL TRAILER

These 102" Wide Body Boost Travel Trailers are four-seat Side-by-Side ready! Our 27QBX model is for those wanting a Bunkhouse. It also has a versatile rear deck. This spacious series allows for extra room for all the family, friends and toys.

MICRO BOOST TRAVEL TRAILER & FIFTH WHEEL

We offer 96" Micro Boost models in both Travel Trailers and Fifth Wheels. They're 6" narrower than our Wide Bodies and have lower ceilings. If you need lighter weight because of your tow vehicle, Micro Boost is for you. A Bunkhouse/Toy Hauler on a budget with a rear deck, that's gold!

TOP BOOST FEATURES

**Action Camping™
Approved**
Bikes, Kayaks, Canoes,
ATVs, Golf Carts, you name it!

Holding Tank Capacities
These are best-in-class allowing you to better enjoy your Toy Hauler experience without frequent interruptions to drain or fill the liquids. 100-gallon fresh water tank is standard on Boost.

Body Armor Underbelly
This is a PVC laminated to a foil radiant barrier insulation to ensure the protection of your undercarriage, and also improve your in-cabin comfort level.

5,000-lb. Tie-Downs
XLR continues to offer the strongest 5,000-lb. tie-down anchor system in the industry. Only the best to secure your precious cargo.

BOOST

MICRO
BOOST

Our Boost and Micro Boost series are designed for the Action Camping™ crowd that wants to get out as much as possible during the year. These light weight haulers are designed to be used and enjoyed—no matter the weather. Now get out there!

A wide body Fifth Wheel with a dual seating living area, 50" TV, plenty of storage plus 11' garage (35DSX11 shown).

13' garage with built-in entertainment space (29LRLE shown).

RV queen murphy bed with comfortable sofa for relaxation (29LRLE shown).

Full-sized bathroom with skylight in the shower (29LRLE shown).

The 35DSX11 bedroom features an XLR king bed, accent wall and cross ventilating windows.

The 29LRLE features a fireplace and all the amenities of home plus a 13' garage.

BOOST

The Boost series continues to be a game-changer in the world of Toy Haulers. It's a more affordable unit to get you into the new world of **Action Camping™**. Get reacquainted with nature. XLR's Boost series is what you need to venture out there. Just load up one of these great floorplans and go!

COMPRESSOR REFRIGERATOR

Our energy-efficient, 10 cu/ft, road-ready 12-Volt compressor refrigerator has integrated RV travel door latches, LED lighting, adjustable glass shelving, and clear door bins. Plus an off-grid feature to conserve energy (29LRLE shown).

QUEEN BED DINETTE

Furniture in the garage changes the ordinary to extraordinary! Dine at the back deck or transform the space into two queen beds for kids or guests (29LRLE shown).

FIFTH WHEEL FLOORPLANS

Boost Fifth Wheels come with either a 11', 13', 14' or 16' garage floorplans. We provide a choice of open and closed garage models help making sure you have room space you need. The length and weight of each model was taken into consideration to marry to the most common trucks on the market.

TRAVEL TRAILER WIDE BODY FLOORPLANS

These Wide Body Travel Trailer floorplans have two enclosed garage models and three open floorplan models. All but the 27QBX will fit a four-seat Side-by-Side inside. The 27QBX is that crossover Toy Hauler/Bunkhouse.

MICRO BOOST

MICRO BOOST NARROW BODY FLOORPLANS

Easier to tow and lighter weight highlight the Micro Boost series in both Travel Trailers and Fifth Wheels. They are narrower, yet offer high quality builds and many of the luxuries of home. These floorplans and series offer a quality camping trailer with a ramp and room to haul your toys!

SPECIFICATIONS

XTRA STORAGE

Fifth Wheel exterior storage increased 40% this year. We added storage space over the generator area and an additional compartment access door.

SOUND

Our new JBL Marine Series Speakers are ready to take on anything Mother Nature throws your way. These powerful speakers feature waterproof motor structures, a one-piece cast polymer basket, a sealed magnet and rubber surrounds.

WHY XTRA MATTERS?

What's XTRA BUILT? If you compare us to other Travel Trailers and Fifth Wheels, you'll see that an XLR Toy Hauler is simply built right. We know that Action Campers use their RV's the way they play—harder. So stronger construction and features mean you'll be ready for the road (or offroad).

XTRA CONSTRUCTION FEATURES

- 1 Body Armor Underbelly
- 2 16" On-Center Studs
- 3 3/8" Roof Decking for Full Walk-On Strength
- 4 5000-lb. D-Rings (Best In Class)
- 5 Oversized Axles
- 6 Larger Holding Tanks
- 7 5/8" Tongue-and-Groove Flooring
- 8 Gelcoat Fiberglass Walls (Optional on all Boost & Micro Boost)
- 9 NXG Frames (N/A 36TSX16)
- 10 Cable Slide Systems Main Floor

CONSTRUCTED TO LAST

| | |
|--|--|
|  <p>NXG frames are constructed with High Strength Low Alloy (HSLA) prime steel with specifically controlled properties.</p> |  <p>Holding tank capacities are best in class allowing you to better enjoy your Toy Hauler experience without frequent interruptions to drain or fill the liquids. 100-gallon fresh tank standard on Boost.</p> |
|  <p>Heavy-duty LCI® axles offer you the best in class carrying capacities.</p> |  <p>Stainless steel kitchen and bathroom sinks, with residential faucets, provide modern appointments to hold up to all the activities like home.</p> |
|  <p>Our Nitro-Fill™ radial tires offer a “No Excuses Guarantee” unmatched in the industry.</p> |  <p>Solar Prep is provided on the roof of your unit for an optional, flexible solar panel and monitor which is pre-wired in the unit. They are marked with a locator decal.</p> |
|  <p>5/8" tongue-and-groove plywood caps the traditional wood constructed floor structure.</p> |  <p>XLR continues to offer the strongest 5,000-lb. tie-down anchor system in the industry to secure your precious cargo.</p> |
|  <p>Body Armor Underbelly is a PVC laminated to a foil radiant barrier insulation to ensure the protection of your undercarriage and improve your in-cabin comfort.</p> |  <p>Our 1.5" fresh water drain provides a lightning fast way to empty your tank.</p> |

ACTION CAMPING™

THE VOTES ARE IN!

RV owners have voted our Boost and Mirco Boost Toy Haulers as top picks in Trailer Life Readers' Choice Awards.

WHY ACTION CAMPING™ MATTERS?

Action Camping is what you do, it's who you are! That's why every XLR Boost that we build is focused on making your adventures come true. Getting there, enjoying and making memories, and doing it all in a vehicle purpose-built for Action Camping is what you'll find here.

PRE-DELIVERY INSPECTION FACILITY
20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate feedback to production for quality assurance in every unit built.
