

EAGLE PREMIER FIFTH WHEELS BY JAYCO

**EAGLE**  
PREMIER

*Quality*

*built for*

**E PREMIER CAMPING**

MIDDLEBURY, IN

 **Jayco**

*the many reasons*

# WE CALL IT **EAGLE** premier

*reason #1*

## SPACIOUS INTERIORS

*reason #2*

## HIDE-A-BED

Provides a standard hide-a-bed sofa with air mattress for overnight guests.

*reason #3*

## WALK-IN CLOSET

Combines with oversized dresser drawers to accommodate your wardrobe.

## YOU WANT PEACE OF MIND

That's why we offer our exclusive 2-year Co-Pilot Warranty, the industry's best and most comprehensive warranty program.

*reason #5*  
**STOR-GALORE**

Features pass-through storage, slam baggage doors and strut assist for ultimate convenience.

*reason #4*  
**HIGH-END KITCHEN**

Flaunts solid-surface countertops and a pull-out sprayer faucet.

*reason #9*  
**polarBARRIER**  
four season camping by Jayco®

Protects against freezing temperatures as low as 0° F (-17° C) (see package details).

*reason #8*  
**STUNNING CABINETRY**

Combines pre-drilled, screwed cabinetry with energy-efficient halogen lighting.

*reason #10*  
**MOR/RYDE SUSPENSION**

Replaces typical steel equalizers with rubber springs to reduce vibration and isolate road shock.

# WITH YOUR PURCHASE

Every Jayco RV undergoes rigorous quality control testing before it leaves the factory, so you can be confident your new Jayco will continue to provide the ultimate in reliability for years to come.

For a copy of our 2-year Co-Pilot limited warranty with full terms and conditions, ask your local Jayco dealer.

**Extend your camping season.** Offering thermal protection against freezing temperatures (as low as 0° F (-17° C), the Polar Barrier Package combines the industry's most-protected underbelly with the class's highest-BTU output furnace. The enclosed underbelly, tucked and foamed inside the I-beam rails, features blown heat for the ultimate four-season camping experience.

The Polar Barrier Package features the following R-values.

| VALUE | UNIT AREA                    | TYPE OF INSULATION         |
|-------|------------------------------|----------------------------|
| R-7   | All vertical walls           | R-7 block foam             |
| R-11  | Behind front and rear cap    | R-11 insulation            |
| R-21  | Roof                         | R-21 block foam            |
| R-22  | Main floor                   | R-7 insulation + R-14 foil |
| R-14  | Slide floor                  | R-14 foil                  |
| R-22  | Bedroom floor                | R-7 insulation + R-14 foil |
| R-14  | Inside open pinbox           | R-14 foil                  |
| R-14  | Enclosed drop-frame overhang | R-14 foil                  |

\* Eagle Premier was tested in 0°F (-17°C) weather over an extended period of time in a controlled environment and all functions of the coach were fully operational. Testing cannot account for natural elements, such as wind or moisture. In actual use, unit may not perform as well. In addition, outside components are subject to freezing and require steps to properly insulate. Jayco's warranty does not cover damage caused by freezing.

## STANDARDS AND OPTIONS

### STANDARD EXTERIOR EQUIPMENT

|                                                        |

**Coach-Net**  
RV Technical & Roadside Assistance

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

**Unloaded Vehicle Weight (UWW):** Sometimes referred to as "Dry Weight," UWW means the typical weight of this trailer as built at the factory. The UWW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UWW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWW and the CCC.

**JayPlus**

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UWW. The addition of options will decrease the CCC.

**Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart inside.
