ROCKWOOD

Freedom

MAKING YOUR INVESTMENT GO A LONG WAY.

Rockwood takes pride in packing the most value possible into our Freedom series. Finding the perfect fit for the specific needs of your active family is made easier by the wide variety of floor plans available. While each model comes standard with many features, you still have flexibility to incorporate as many options as you choose to fit your camping preferences.

**ROCKWOOD**

Extreme Sports Package

LET'S MAKE THE MOST OF THIS ADVENTURE.

Introducing the Rockwood Extreme Sports Package (ESP), a camper designed for active couples and families that embrace the many outdoor sports activities that are popular today. Whatever the preference; mountain biking, kayaking, canoeing, sailboarding or surfing, the ESP camping trailers are designed to allow you to make the most of your outdoor experience.

Spacious comfort with features important to you

The durable leather appearance seating, attractive Driftwood cabinets and rustic wood-look flooring, give the interior a resilient, yet refined appeal. Interior features targeted for the modern, active lifestyle include a Digital Media Receiver with Blue Tooth, MP3 player USB and auxiliary ports, recharging station with (2) additional USB ports, LED interior lighting, optional air conditioning prep and "off the ground" spacious beds with quilted-top heated mattresses.

Cargo carrying versatility

No more need to overload vehicles or to leave equipment behind. The Rockwood ESP camper features ProRac Systems, Inc. permanent cross bars that provide a load-bearing surface for securing up to 150 lbs. of a wide variety of outdoor sports equipment. It is easy to reach and adjustable to provide unmatched cargo carrying flexibility. Additional storage options like a front storage deck and front storage trunk are available on select models.

Stylishly rugged exterior with huge ground clearance

The Brushed Nickel exterior features black diamond plate skirting, distinctive fender flairs and 15" Mud Rover Radial Tires with Aluminum Wheels that provides for 12" ground clearance allowing you to get your gear where it needs to go. Other exterior features include a roof mount exterior LED light strip; Toy Lock frame mounted locking system and Spray Away utility hose.

Premier

A PROVEN TRACK RECORD MAKES THIS UNIT A PREMIER CAMPER.

Year in and year out the Premier series consistently delivers with outstanding features and styling to enhance your camping experience. The swing down galley and standard power lift make the Premier a breeze to set up. The expansive seating throughout the camper gives everyone plenty of room to sit and enjoy themselves.

High Wall

IT'S YOUR VACATION. WHY NOT GO IN STYLE?

The Rockwood High Wall campers are perfect for those families who want the luxurious features of a travel trailer in a much lighter towable option. The Cherry colored cabinetry, stainless steel finishes and beautiful wood grain-look flooring puts this camper in a class of its own.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

Specification Definitions

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

ROCKWOOD

Warranty WE STAND BEHIND OUR PRODUCTS.

For details on Rockwood's complete warranty program, see your Rockwood dealer. When it comes to backing products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Rockwood. Rockwood offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Twelve-year vinyl roof warranty, 2. Two-year fiberglass warranty, 3. Five-year axle warranty, 4. Five-year tent warranty, 5. One-year bumper to bumper warranty, 6. Available second-year warranty, 7. One-year bumper to bumper. Ask your dealer about the available lifetime structural warranty.
