2026 PONTOON BOATS

---

SCAN HERE TO SEE  
OUR RICH HISTORY

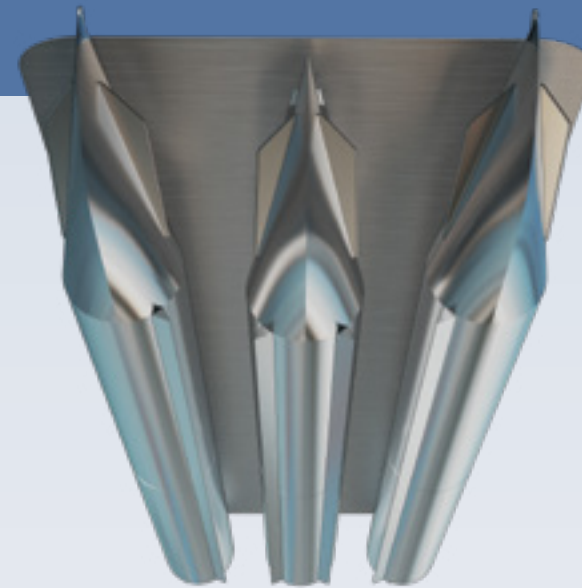

The luxury boats from Sylvan are the result of over 75 years of hard work, innovation and a tenacious commitment to quality. For five generations and counting, our family has been dedicated to sharing the wonder of boating by creating the finest watercraft that money can buy.

Each year, we put our heritage on the line with great new Sylvan lineups backed by the best warranty and the best customer service there is. We pioneered our SPX performance tubes to deliver incredible acceleration and sports car-like handling, and we continue to lead the way with luxurious interiors, inspired designs, and the highest quality in the industry.

We're not just boat builders. We're boaters, just like you — and we're confident 75 years is just the beginning. Take a look at our 2026 pontoon boat lineup and we think you'll see why.

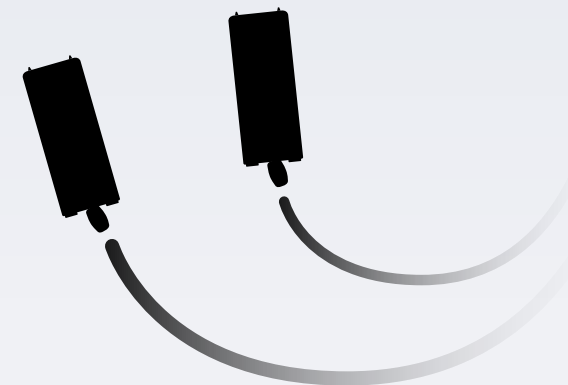

# A HERITAGE OF PERFORMANCE

SPX performance strakes are mounted on the inside of the outer tubes and on both sides of the middle tube to deliver the tighter turning radius and faster planing that are vital for all water sports and cruising.

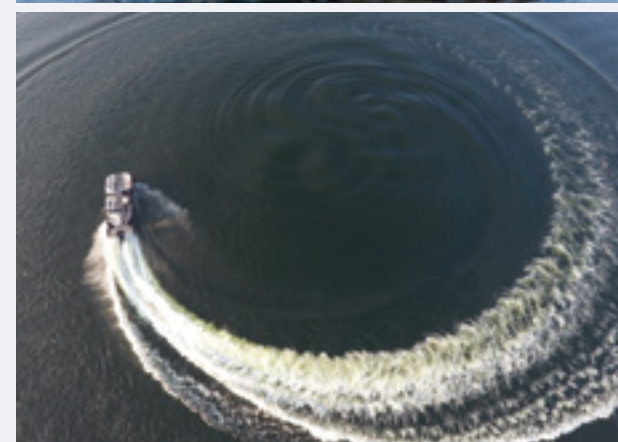

SYLVAN

Our SPX triple-tube performance package with specially designed performance strakes sets the standard for pontoon performance. By delivering better lift, less surface drag, greater speed, a tighter turning radius and faster planing—all without sacrificing the smooth, stable ride that Sylvan is known for—SPX performance lets you turn quickly to pick up a downed skier or glide above the chop on a windy day.

The SPX PR25 triple-tube performance package is built to make the most of today's higher horsepower engines. SPX performance strakes are mounted on the inside of the outer tubes and on both sides of the center tube to deliver a tighter turning radius and faster planing for water sports and cruising.

The innovative center tube design allows you to add more horsepower at any length for optimal performance. Performance shield, hydraulic steering and a built-in fuel tank in the center tube come standard.

## PAINTED TUBE OPTION

Sylvan Marine pontoon tubes are constructed with up to .100"-gauge marine-grade aluminum. And now, with the painted tube option, you get the added durability provided by a combination of zinc chromate primer and urethane paint, which forms a corrosion-resistant surface.

- All parts and labor
- Transferable to second owner

# A HERITAGE OF QUALITY

## THE STRONGEST FOUNDATION ON THE WATER

Sylvan pontoons offer incredible performance today and durability that will last for years to come. It all starts with a solid foundation built on stronger designs, better materials and the benefit of over 75 years of experience crafting the best pontoon boats on the water. Rest easy knowing that when you buy a Sylvan, you're buying the best.

#### A CONSTRUCTED FOR ENDURANCE

¾", 7-ply pressure treated plywood with a vibration dampening layer is through-bolted and screwed to the hat channels to create the strongest seams in the industry.

#### B HAT-CHANNEL CONSTRUCTION

How does Sylvan build the widest base in the industry without adding extra weight? We use strength points of "heavy" .250"-gauge (shown) and .125"-gauge (standard), 6"-wide aluminum hat channels and secure them by spreading 8 bolts across 6" deck risers. We combine that with a .190"-gauge aluminum transom, through-bolted with up to 20 bolts, and footed deck risers that eliminate tube fatigue. We're so confident that our construction is the best that we back it with a Limited Lifetime Warranty.

#### C FENCE AND RAILING

We back our fence and railing with foam to prevent rattling, but only after fully welding and coating every joint. Every foot of fence and railing is backed by a 6-year warranty.

#### D THRU-BOLTED TRANSM

Sylvan transoms are made from aluminum gauges as heavy as .190" and are supported with up to 20 stainless steel bolts—all to handle today's higher horsepower engines.

#### E AIR-TIGHT CONSTRUCTION

Our tubes feature air-tight construction with a completely welded-in baffle at each chamber, plus a drain at the bottom. A drain plug at the rear of the tube allows water to be completely removed from the tube if necessary.

#### F SUPERIOR CONSTRUCTION

Innovative manufacturing with advanced, automated tube-forming cells for superior construction and tube strength.

#### G 4-POINT DECK-TO-HULL FUSION

Every Sylvan deck bracket is fused to the tube at four points to increase the contact area with the tube. Besides increasing strength and support, four-point fusion reduces frame twist and racking in rough water and helps prevent tube fatigue.

Since Sylvan began building pontoon boats back in 1948, we've continually set the standard for quality—both above and below the deck.

## INNOVATIVE FLOORPLANS

Sylvan offers the most unique floorplan options with furniture configurations like loungers, bar sets and flip-back seating, all designed with durability and comfort in mind.

# THE PONTOON OF CHOICE

Whether you're driven by luxurious appointments, exhilarating performance, unequaled versatility or extraordinary value, the 2026 Sylvan pontoon boat lineup has the perfect boat for you and your family. Each one is backed by our industry-leading Lifetime +6 Limited Warranty, so you can rest easy knowing your boat is made to last.

**EXCEPTIONAL COMFORT, LEADING-EDGE TECHNOLOGY AND EXHILARATING PERFORMANCE DEFINE M-SERIES AS THE TOP OF THE SYLVAN LINE.**

**PAGES 10-13**

The Sylvan M-Series pontoon boat redefines ultimate luxury on the water, blending cutting-edge design with unmatched performance. Featuring innovative carbon fiber side panels, the M-Series offers superior strength and durability while being significantly lighter than traditional materials like aluminum or fiberglass, enhancing both speed and fuel efficiency. Inside, the M-Series exudes opulence with premium soft-touch upholstery, RGB mood lighting that sets the perfect ambiance both inside and out, and a standard SPX third tube performance package for an exhilarating ride. It's the epitome of sophistication and engineering, ensuring every journey is a remarkable experience.

**INNOVATIVE EXTERIOR PANELS AND LUXURIOUS INTERIOR FINISHES SEPARATE SYLVAN'S G-SERIES FROM ALL OTHERS.**

**PAGES 14-17**

With its full fiberglass exterior, the Sylvan G-Series pontoon boat is the definition luxury - providing a sleek, modern look and superior durability. Inside, it boasts premium soft-touch upholstery and LED RGB interior lighting, offering a sophisticated and customizable ambiance. The standard SPX third tube performance package ensures exceptional handling and stability on the water. For those seeking a unique touch, the G-Series offers the option of color-matched pontoon tubes, allowing owners to personalize their boat for a custom luxury experience that stands out on the water.

**WITH A WIDE RANGE OF FLOORPLAN OPTIONS TO CHOOSE FROM, SYLVAN L-SERIES HAS THE VERSATILITY TO DO IT ALL.**

**PAGES 18-21**

The Sylvan L-Series pontoon boat is designed with family fun and versatility in mind, offering a variety of layouts to suit every lifestyle. Whether you prefer swing-back seating, fishing, or leisurely cruising, the L-Series has a configuration that fits your needs. One of the standout options is the customer favorite DLZ bar, perfect for social gatherings on the water. With the standard SPX third tube performance package, the L-Series also delivers enhanced stability and handling, ensuring a smooth and enjoyable ride for the whole family. It's the ideal choice for those seeking a friendly, adaptable, and high-performing pontoon.

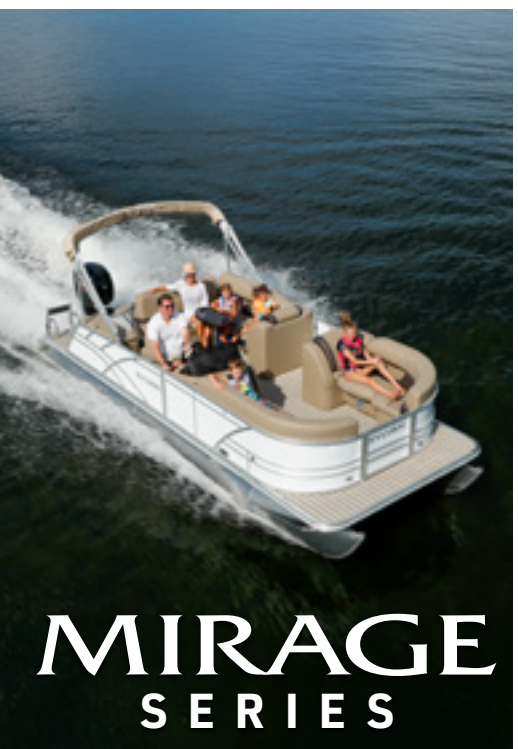

**THE SYLVAN X-SERIES DELIVERS BOLD PERFORMANCE, VERSATILE LAYOUTS, AND UNBEATABLE VALUE.**

**PAGES 22-25**

The Sylvan X-Series delivers standout value and all-out family fun, backed by an impressive list of standard features. With the SPX PR25 Performance Package, Performance Shield, a sleek low-profile sport console, black anodized rails, hydraulic steering, docking lights, and a full third tube, it's built for confident, efficient performance. Offered in 13 floorplans across three lengths and rated for up to 300 HP, the X-Series makes it easy to find the perfect fit for every kind of day on the water.

**PACKED WITH STANDARD FEATURES THAT MANY OTHER BUILDERS CALL OPTIONS, SYLVAN MIRAGE DELIVERS UNEQUALED VALUE IN A CLASSIC PONTOON.**

**PAGES 26-31**

The Sylvan Mirage Series is the most popular lineup in the Sylvan Pontoon collection, offering unmatched versatility and customization. The Mirage Series includes two distinct options: the Cruise with 18 different models to choose from, and the Fish with 9 models available. Whether you prefer a versatile family fishing machine or a more traditional setup, the Mirage Series allows you to customize your pontoon with a variety of optional premium appointments to make it truly your own, delivering the perfect blend of style, performance, and personalization.

**MODERN STYLE, VERSATILE LAYOUTS, AND EXCEPTIONAL VALUE COME TOGETHER IN THE ALL-NEW SYLVAN R-SERIES PONTOON BOAT**

**PAGES 32-33**

The all-new 2026 Sylvan R-Series offers three versatile layouts with modern style, premium features, and strong value on an 8'6" platform with 25" tubes. Integrated polyethylene corners boost durability, resist wear, and clean easily. With a bimini top, sea weave flooring, and sleek black railing, it delivers a sharp, contemporary look and exceptional comfort. A wide range of options—from performance packages to premium electronics—lets you tailor the R-Series to your ideal on-water experience, all at an affordable price.

**DESIGNED FOR BOTH STYLE AND VERSATILITY, THE SYLVAN A-SERIES IS PERFECT FOR BOTH LEISURELY CRUISES AND ENERGETIC OUTINGS.**

**PAGES 34-35**

The Sylvan A-Series redefines pontoon innovation with a blend of modern design, function, and durability and caters to a variety of preferences. The Sport model stands out with a standard PTS performance tube for added on-water capability. Each model boasts a sleek exterior with integrated polyethylene corners, making it lighter and easier to tow. Less scratch- and dent-resistant than some materials, this construction allows for simple cleaning and maintenance while keeping the A-Series budget-friendly.

FLOORPLANS	LENGTH	PASSENGERS	MAX HORSEPOWER*
13	21'8"–25'8"	11–13	200–300

With its long list of standard features—including our exclusive SPX PR25 Performance Package, Performance Shield, low-profile sport console, hydraulic steering, docking lights, a third tube and more—it's easy to see why our Mirage X-Series is one of the most family-friendly options on the water. It's also one of the greatest values afloat. Enjoy the bold look of standard black powder coated rails and deck trim paired with the Malera steering wheel, and select the Wet Sounds™ MC-5 Stereo with Bluetooth® and high back helm chair for added comfort and convenience.

Innovation, quality and performance have been Sylvan hallmarks from the day we started building boats way back in 1948. But just as important is our focus on value. That’s why every model in our Mirage Series comes loaded with standard features that other brands charge extra for. No pontoon on the water offers greater value.

R SERIES  
SHOWROOM

The all-new 2026 Sylvan R-Series debuts with nine versatile floorplan options, combining modern style, premium features, and outstanding value on Sylvan’s 8'6" platform and 25" diameter tubes. The integrated polyethylene corners add durability and are easy to clean while resisting scratches and dents. With a bimini top, sea weave flooring, and sleek black exterior railing, the R-Series offers a sharp, contemporary look and exceptional comfort — all at an affordable price point.

# A SERIES

FLOORPLANS	LENGTH	PASSENGERS	MAX HORSEPOWER*
5	17'0" – 22'10"	6–10	40 – 150

The Sylvan A-Series pontoon boat is designed for both style and versatility, offering three unique layouts to suit your preferences. Its high-performance polyethylene corners seamlessly integrate with the side panels, creating a sleek and modern aesthetic that stands out on the water. With robust 23" diameter tubes, this pontoon boat ensures stability and smooth handling, making it perfect for leisurely cruises or energetic outings. The included bimini top provides ample shade on sunny days, while the durable sea weave flooring adds a touch of comfort and easy maintenance. Whether you're entertaining guests or enjoying a quiet day on the lake, the Sylvan A-Series combines functionality with sophisticated design.

OUTPERFORM YOUR EXPECTATIONS

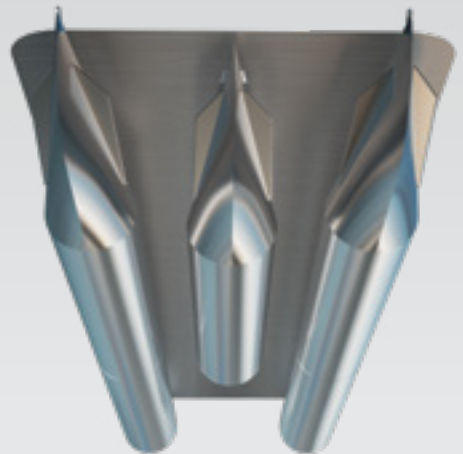

Sylvan offers a full selection of pontoon tube configurations, making it easy to select the perfect package to suit your boating needs. Light weight twin tube configurations, with available performance shields and lifting strakes, deliver impressive performance and unbeatable value. Three tube models offer even greater performance, or step up to a PTS or SPX Performance Package and enjoy better lift, less surface drag, increased speed, faster planing and a tighter turning radius that allows you to turn quickly to pick up a downed skier. Plus, when you add a higher horsepower engine to these innovative tube designs, you'll experience exhilaration you never dreamed possible in a pontoon—all covered by Sylvan's industry-leading Lifetime +6 warranty.

TUBE CONFIGURATIONS/CHARACTERISTICS

	PERFORMANCE	LIFT	HANDLING	FUEL ECONOMY
 <b>TWO ROUND TUBES</b> Great for all-around boating	★	★	★	★
 <b>TWO ROUND TUBES WITH ALUMINUM PERFORMANCE SHIELD</b> Great for all-around boating with improved water flow	★★	★	★★	★★
 <b>TWO ROUND TUBES WITH ALUMINUM PERFORMANCE SHIELD AND LIFTING STRAKES</b> Great for all-around boating with improved water flow and high horsepower lifting performance	★★	★	★★	★★
 <b>TWO ROUND TUBES WITH THIRD PTS CENTER TUBE<sup>®</sup> WITH ALUMINUM PERFORMANCE SHIELD</b> Two full-length outer tubes, plus a reduced-length center tube to incorporate a traditional transom, creates a lighter option for better performance and fuel efficiency at an affordable price	★★★	★★	★★	★★
 <b>TWO ROUND TUBES AND CENTER TUBE WITH ALUMINUM PERFORMANCE SHIELD AND LIFTING STRAKES</b> Great for all-around boating with improved water flow; better handling; a smoother, more buoyant ride; and high horsepower lifting performance	★★★★	★★★★	★★★★	★★

SPX performance strakes are mounted on the inside of the outer tubes and on both sides of the middle tube to deliver the tighter turning radius and faster planing that are vital for all water sports and cruising.

# CHOOSE YOUR OWN ADVENTURE

Sylvan builds a great pontoon, but only you can truly make it yours. We offer a wide range of optional features and packages designed to get the most out of every moment on the water. Comfort, function or just plain fun — Sylvan can help you customize the pontoon that fits your passions to a tee.

**SIMRAD MULTI-FUNCTION DISPLAY**  
Many Sylvan pontoon models are available with a touchscreen display control system, putting a wide range of features at your fingertips.

**HUMMINBIRD® GPS/FISH FINDER**  
Add an optional Humminbird GPS/fish finder to the console to give you the advantage of a state-of-the-art sonar unit.

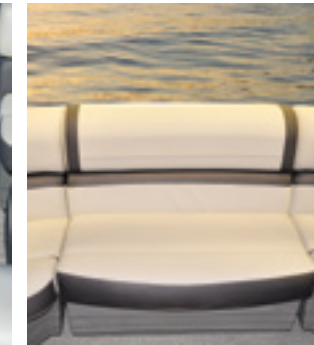

**WET SOUNDS MEDIA CENTERS**  
Stream Bluetooth® audio or easily connect all your devices using this cutting-edge media center.

**REAR-FACING SPEAKERS WITH REMOTE TOUCH PAD**  
Optional speakers mounted on the rear of the pontoon pump your tunes toward those enjoying the water.

**EXTRA TABLE KIT**  
Made to match the standard table, this stowable table kit with legs and base adds more room for dining, food prep and more.

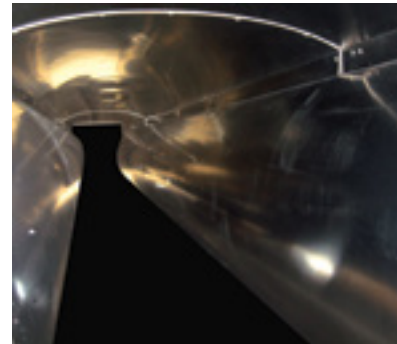

**30" GATE CHAIR**  
Add to your comfort and seating arrangement with this convenient chair that can be placed in front of the bow gate.

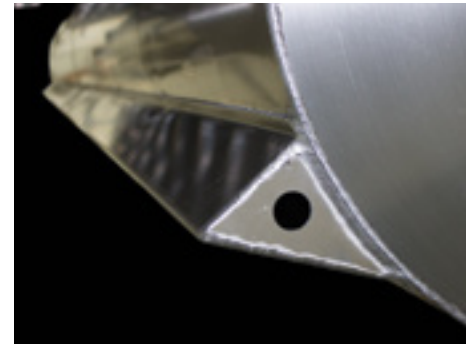

**CENTER TUBE STORAGE**  
Available with the third tube option, this practical storage area is large enough for skis, ropes and life jackets.

**PAINTED TUBES**  
Enjoy a corrosion-resistant surface with the painted tube option, you get the added durability provided by a combination of zinc chromate primer and urethane paint.

**PERFORMANCE SHIELD**  
Made with tough .060"-gauge marine-grade aluminum, this optional liner improves water flow and fuel economy.

**PERFORMANCE STRAKES**  
Get faster planing, better cornering and a smoother ride.

**STEERING**  
Ask your dealer how you can optimize your boat's steering with premium steering options.

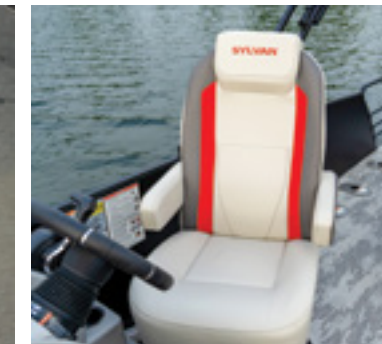

**SILA-SHIELD PROTECTIVE COAT**  
Protect your tubes from the water, dirt and grime with Sila-Shield protective coating.

**CELL PHONE CHARGER**  
Convenient cell phone charger mounted directly to the console.

**COOLER TABLE**  
Combine expanded cooler storage with the convenience of a table top.

**RECLINING HIGH-BACK HELM CHAIR**  
For the ultimate in comfort, choose the reclining helm chair with slider, armrests and a headrest. Standard on M Series, S Series and L Series, optional on Mirage Series.

**WAKE TOWER**  
Easily pull a wake boarder from this black anodized, custom-made wake tower.

**SPORT ARCH**  
This acrylic shade features a retractable Bimini top to provide protection from the sun.

**SKI PYLON**  
Removable ski pylon that's bolted through the deck for maximum strength.

**ENCLOSURE AND BIMINI OPTIONS**  
Extend your season by getting away from the elements with an enclosure. They feature our Easy Match Tab System for quick assembly, sturdy round aluminum tubing and stainless features for strength, quick release for ease of use, and solution-dyed polyester Vista canvas for lasting color without bleeding.

FULL CAMPER ENCLOSURE

HALF CAMPER ENCLOSURE

DOUBLE BIMINI

**PLAYPEN COVER**  
Add protection with a color-coordinated canvas cover that easily snaps to the railing.

**DELUXE SKI TOW**  
Enjoy a day of water sports with this deck mounted ski tow.

**DELUXE SKI TOW TABLE**  
Attach this custom table easily to the ski tow for extra table space.

**WIDE HANDLE 4-STEP LADDER**  
The wide handle 4-step telescoping ladder folds into the water for easy access in and out of the boat.

**LILLIPAD LADDER**  
Pet-friendly boarding ladder

**QUICK SHADE**

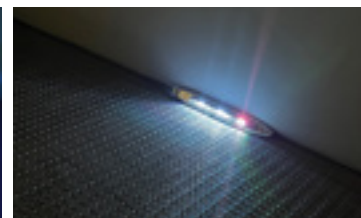

**FOLD-UP CLEATS**  
Through-bolted fold-up cleats fold up and down when needed.

**STAINLESS STEEL GRILL**  
Easily mount a stainless steel gas grill to the back deck of the pontoon.

**LIGHTED CUP HOLDERS**  
Illuminate the pontoon with optional lighted cupholders.

**MOOD LIGHTING**  
Light up the floor with LED mood lighting.

**MINN KOTA® SHALLOW WATER ANCHOR**  
With more control and anchor options than ever before, you can anchor down from anywhere in your boat.

**FENDER HANGER**  
Bracket is screwed into the side rail to conveniently place fenders for the dock.

**POWER CANOPY**

**RAISED HELM PLATFORM**  
Elevate the helm station for better vision above the passengers sitting in the bow.
