LAUNCH ULTRA LITE

LEADING THE WAY
WITH LIGHTWEIGHT
INNOVATION.

Launch Ultra Light features Starcraft's exclusive TuffShell™ vacuum-bonded lamination for unbeatable durability in a full line of lightweight, easy to tow models. You'll enjoy 33% more storage with the exclusive StarMAXX™ pass-thru system, including tie-downs and the ToyLok® feature.

A The bedroom offers the comfort of a queen bed with bedside shelves and convenient overhead cabinet space. Upgrade to a Black Label pillow top mattress with the optional Elite Package.

B The 24RLS features an open living area including a slide-out dinette with a large picture window and a plush, stylish sofa.

C Mealtimes are made more enjoyable by a well-appointed kitchen, featuring a three-burner range with oven and lighted range hood, a flush-mounted refrigerator and a double-bowl sink with high-rise faucet. It's all surrounded by stunning warm sugar maple cabinetry with hardwood doors.

TWO-YEAR WARRANTY

At Starcraft we are proud to back our RVs with a two-year manufacturer's limited warranty. For a copy of the two-year limited warranty with full terms and conditions, ask your local Starcraft RV dealer.

STARCRAFT 

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. **Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC. **Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC. **Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.
