CAYMAN®

THE EXTRAS COME STANDARD.

Here's something you're going to love. An affordably priced Monaco coach that's equipped like a fancy one. Presenting the Cayman for 2007. This year, courtesy of our new XL package, we've really loaded on the extras — deluxe full-body paint, OptimaLeather™ recliner pilot seats, a three-camera rear vision system, stainless steel appliances, a second TV in the bedroom, and more.

We've also beefed up the performance package. Now you're riding on a Roadmaster Raised Rail chassis (RR4R) with a Cummins® 325 low torque engine and Allison® 6-speed transmission. How's *that* for power? And to keep heads turning, we've created stunning new decor packages and stylish new end caps. The 2007 Cayman. Who says luxury has to be an option?

**GALLEY.** It may look beautiful with its Corian® backsplash and stainless appliances, but the kitchen is all business. The double-door refrigerator with ice maker holds eight cubic feet of provisions, and the convection microwave does it all — bakes, broils and microwaves. Cleanup is a snap, too, thanks to the solid surface countertops, range covers, and new sealed burners on the high-output cooktop.

**BEDROOM.** No more sheep counting for you. The luxurious queen bed now comes with a comfort select mattress, allowing you to dial in your own personal sleep number for a better night's rest. Other niceties include blackout day/night pleated shades to help darken the room and a 20" color TV with remote, now standard.

LUXURY. INNOVATION. HAPPY TRAVELERS. IT ALL SAYS MONACO.

INTERIOR

Wherever you travel across America, it's easy to spot the Monaco owners. They're the ones with the smug, happy grins on their faces. And who could blame them? When you own a Monaco, you own the best. The best in luxury, performance, safety, technology and comfort. It's all here. And it's all yours for the taking. Come on, freedom lovers. Make your move to Monaco luxury. After all, you already know how to grin.

WELCOME TO MISSION CONTROL.

## COCKPIT / EXTERIOR

Take your helm seat, adjust the steering wheel, and pull down the side window sunshades. The Cayman is ready to transport you. Along with cruise control and a six-way power pilot seat, the Cayman pampers you with air horns, bright analog gauges, and a sleek new automotive dash with silver graphite instrumentation panel. For those long stretches in the middle of nowhere, just flip on the CD player or new optional Sirius satellite radio.

**COCKPIT.** When you're stopped for the evening, the new OptimaLeather™ pilot seats double as comfy recliners. We've also included a 24" color TV, DVD player, and optional semi-automatic digital dish for after-hours viewing. Sun too bright? Just pull around the optional solar privacy sunscreens.

**3-CAMERA REAR VISION SYSTEM.** To help you maneuver in tight spaces, the Cayman gives you not just one, but *three*, rear vision cameras with audio. The center camera in back is fully adjustable.

**POWER CO-PILOT SEAT.** The optional co-pilot seat adjusts six ways, it reclines, and it's made of gorgeous OptimaLeather™. What more could you want?

### NO SEAMS. ADDED SAFETY.

When you're driving, you need to see everything in front of you — pedestrians, potholes, possums scurrying across the road. With our exclusive Panaview™ 1-Piece Windshield, you can. There's no annoying black rubber seam running down the middle of your windshield. It's the largest unobstructed view in the industry. That's big!

CAYMAN®

## ROADMASTER RAISED RAIL RR4R CHASSIS

**1** Stacked aluminum charged air cooler, aluminum radiator, and external aluminum transmission cooler for optimum heat transfer and cooling.

**2** Allison® 2500 MH 6-Speed World Transmission and electronic shifter for smooth, even shifting and added horsepower and torque. Gross combined weight rating of 33,000 pounds for a solidly built coach.

**3** Unique 5-degree rear axle tilt for perfect alignment of engine, transmission, and rear end to minimize drivetrain stress and noise.

**4** Active suspension control system with four air bags and gas shock absorbers, with superior front-to-rear balance and sway reduction giving superb ride and handling.

**5** Fully automatic hydraulic leveling system (3-point leveling system, 42,000 lbs. rated) to adjust coach level for passengers' ease in entry and exit.

**6** Heavy-duty steel undercarriage and firewall provide strength and durability.

**7** Electronically controlled exhaust braking system, with chrome exhaust tip for engine, provides smooth braking with four-wheel anti-lock braking system (ABS) with full air brakes (drum).

## MAY WE BUILD YOU A CHASSIS?

Did you know that every Roadmaster chassis is custom designed and built for the Monaco coach that will ride on it? It's a novel idea, but our owners seem to like it. And it pays off — in better performance, safety and reliability. Owners also like the fact that Roadmaster, a division of

Monaco Coach Corporation, only does one thing: They build chassis for motorhomes. Not trucks. Not buses. Just motorhomes. So naturally, they do it better. No wonder Roadmaster is the leading high-end diesel chassis manufacturer in America.

## AIR BAG SUSPENSION

The active suspension automatically adjusts the pressure of the air bags as you drive and virtually eliminates nosediving and the side-to-side body sway associated with high wind conditions, curvy roads and emergency maneuvers.

Cayman's rugged Cummins® ISB 325 HP engine with 610 ft./lbs. of torque.

**8** Fuel tank capacity of 75 gallons and dual fuel fill for your driving and fill-up convenience.

**9** Radial tires (255/70R/22.5) let you drive with peace of mind.

**10** A 7,000 lb. newly designed hitch receiver with connector.

## CONSTRUCTION

### 9-LAYER ROOF CONSTRUCTION:

(top to bottom)

- One-piece peaked fiberglass roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

### 5-LAYER SIDEWALL CONSTRUCTION:

(left to right)

- High-gloss gel coat fiberglass
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation glued in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam saves energy and provides a thermal insulative barrier
- Interior paneling

### 4-LAYER FLOOR CONSTRUCTION:

(top to bottom)

- Structurwood™
- Blue foam insulation
- 1-1/2" aluminum tube
- Three-ply poly underbelly

<sup>1</sup>Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

<sup>2</sup>All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

<sup>3</sup>Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This

includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the

photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.
