

Berkshire

BY FOREST RIVER MOTOR HOMES DIESEL DIVISION

YOUR LUXURY. YOUR DESTINATION.

Open and spacious is the first impression you get when entering a Berkshire. Relax in total comfort as the user friendly features of the Berkshire create a welcoming atmosphere for you and your guests.

You will feel right at home in the 360FWS, a 40 inch LCD HD TV that is viewable from many angles invites you right into the action from the comfort of the expansive couch. Plenty of storage and an oversize picture window over the free standing dinette round out this beautiful and functional floorplan.

True residential style completes the interior of every Berkshire. Innovative features like the extendable sofa, countertop extension and buffet style dinette help the Berkshire maximize storage space while keeping everything within reach. Picture also shown with front overhead TV option.

The bedroom of the 390FL offers you true luxury on the road. A flat screen LCD HD TV that is elevated to be easily viewed from many angles will provide you with hours of endless entertainment. The Berkshire also boasts an optional washer and dryer that makes laundromat stops a thing of the past.

Cleverly designed features are a trademark of the Berkshire series. **A.** The bunk area of the 390 BH is a great place for kids or guest to relax. **B.** When not in use the top bunk folds up and out of the way to create an abundance of space for hanging clothes, and can be hidden by residential style folding doors. **C.** Ready for takeoff. The ergonomic cockpit is designed for your comfort. **D.** The 390FL sofa extends out for additional sleeping and entertaining.

BERKSHIRE INTERIOR AND EXTERIOR COLORS.

- Allison 2500MH 6-Speed automatic transmission
- Electric push button shift
- Transynd transmission fluid
- 5,000 lb. receiver hitch

CHASSIS OPTIONS

- Cummins ISB turbo diesel 6.7 liter, 360 HP @ 1800 RPM, 800 ft. lbs. torque @ 2600 RPM,
- Allison 3000MH 6-speed transmission
- 10,000 lb. receiver hitch

OTHER CHASSIS STANDARDS

- 100 gallon, dual fill fuel tank
- LCD engine message center
- Day time running lights
- 7-Pin tow power connector
- 18.7 CFM air compressor
- Farr Eco-air cleaner
- Air filter restriction indicator
- Fuel/water separator
- Heated air dryer
- Automatic, heated moisture ejectors
- Power steering
- Washer/wiper w/ intermittent function
- 160 amp alternator
- (2) 950 CCA @ 0° F, maintenance free batteries

on slide tray

BRAKES

- Full air w/ auto slack adjuster
- ABS
- Exhaust brake
- Telescopic/tilt steering wheel

SUSPENSION

- Neway air suspension front and rear
- Sachs custom tuned shock absorbers
- Heavy duty stabilizer bar
- 55 degree wheel cut
- I beam suspension w/ bell crank
- Air suspension deflation system

COOLING SYSTEM

- Cross flow, rear mounted radiator
- Transmission oil cooler
- 5 year / 100,000 mile coolant (some maintenance required)

STEERING WHEEL

- 4-Spoke VIP black steering wheel
- Electronic cruise control w/ high idle
- Telescopic/tilt steering wheel

STRUCTURAL STANDARDS

- Steel basement construction
- Automotive & foam seal undercoating
- Vacuum bonded floor
- Tubular aluminum frame
- Structure wood flooring
- 2 lb. density, block foam

- polystyrene insulation
- Vacuum bonded sidewalls
- Gel-coated fiberglass skin
- Crowned and layered vacuum bonded roof
- Fiberglass roof
- Channeled drains for AC's
- Steel firewall with 2 lb. density, block foam polystyrene insulation
- Tubular steel front bulkhead
- Fiberglass front and rear caps
- 84" interior ceiling height

EXTERIOR STANDARDS

- Full body painted exterior (double clear coat)
- Front mask protective film
- Side-hinged exterior compartment doors w/ full pass through storage
- (4) pt. fully automatic hydraulic leveling system
- 8.5 Guardian diesel generator w/ full slide tray
- 1200 Watt inverter/converter
- (4) Six volt house batteries on slide tray
- (2) Master electric shut off switches
- Electrical panel w/ lighted indicators for fuses
- Individual zoned manifold water supply system
- Variable speed constant pressure water pump
- All coach water filtration system (FO)
- 13,500 BTU low profile front roof A/C w/ heat pump and

- ceiling ducts w/ drain
- 40,000 BTU furnace
- Tankless water heater with continuous flow
- 24.5 gallon propane tank
- Black water tank flush system
- Power entrance step
- Patio light
- Lighted entry assist handle
- Shower skylight
- Docking lights
- Heated pads for all water & holding tanks
- Full length mud flap w/ chrome trim
- (2) Piece rear ladder
- Auxiliary LP hook-up-passenger side
- Auxiliary air chuck-front firewall

Berkshire

BY FOREST RIVER MOTOR HOMES DIESEL DIVISION

Named after its parent company, the Berkshire Class A motorhome is the flagship of our fleet. Only the finest appointments and attention to detail go into building it. With this in mind, the Berkshire lives up to it's name in both quality and value. Forest River is proud to be part of the Berkshire Hathaway family.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.
