ASPEN TRAIL

FRONT TO BACK FREEDOM

Every inch of the Aspen Trail has been designed for full-featured living. Aspen Trail's amenity-rich kitchen areas have undermount farm-style sink with cover and seamless countertops throughout. The design also provides ample amounts of additional storage space and radius overhead cabinets for keeping essentials close at hand.

AN EXPANSIVE AWNING

All Aspen Trails come standard with a power awning with LED lights, allowing you to stay close to Mother Nature whether it's rain or shine.

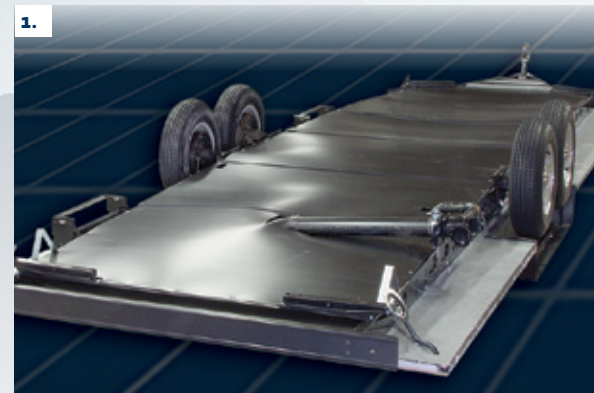

GO ON THE JOURNEY OF A LIFETIME WITH THE ASPEN TRAIL

With a name that reminds you of beautiful mountain vistas and once-in-a-lifetime excursions, the Aspen Trail is one travel trailer that lives up to its name, then exceeds all expectations.

With the Aspen Trail, you'll journey with wall-to-wall interior features, like an undermount farmstyle sink, 3 burner range with oven and glass cover, high output furnace, real maple hardwood doors and drawers, and 82" interior ceiling height. Plus, you'll have peace of mind in any location with mega pass-thru storage that has oversized baggage doors on both sides, a heated and enclosed underbelly, and seamless one piece roof. The only thing the Aspen Trail can't do is plan your next adventure... but it can try.

1. FULLY ENCLOSED UNDERBELLY

Prevents water tanks from freezing, and protects the tanks and floor from road damage to extend your camping season.

3. MORE STORAGE

Overhead cabinets in the slideouts, larger cabinets, and real hardwood doors and drawers give you more storage for all of your camping gear.
