CARBON

The ultimate
ownership experience.

The ultimate ownership experience.

The goal of Keystone RV Company is to surprise and delight our owners at each and every touchpoint. We're happy when our campers are happy, and we are committed to providing the very best ownership experience in the industry.

**Keystone RV
Company**

1 EASIER SHOPPING.

At Keystone, we make choosing an RV as easy as finding the Big Dipper on a dark summer night. With comprehensive online product information, Key Connect™ product advisors, and an unparalleled dealer network, we will help you select the perfect RV for your family's adventure.

2 INNOVATIVE THINKING.

The road's a nicer place when you have the industry's smartest features behind you. Keystone leads the pack in patented innovations that make our RVs safer, more comfortable, and easier to operate.

3 LONG HAUL QUALITY.

To keep you on the road, there are certain things we just won't build a Keystone RV without. Game-changing features like our Unified Wiring Standard, Tru-Fit™ five-point slide construction, and no-fail Tuf-Lok™ A/C duct joiners combined with exhaustive testing and inspections are some of the reasons why Keystone is able to offer our owners the industry's best 3-year limited structural warranty.

4 WORRY-FREE CUSTOMER SERVICE.

Wherever the road takes you, you're never too far from an authorized Keystone service center. We also offer live service assistance, ultra-fast parts shipping, online maintenance tips and tricks, and a single-point warranty claims policy. *That's* peace of mind.

5 KEYSTONE NATION.

When you choose Keystone, you become a part of one of the largest camping families in the country. We're Keystone Nation. A friendly community where people share photos, travel tips and amazing stories – all in the spirit of camaraderie and adventure. Come join us.

4G LTE and Wi-Fi Prep

All Carbons are equipped with a new antenna that integrates 4G LTE and Wi-Fi with standard VHF/UHF/AM/FM reception.

KeyTV™

No more connection guesswork or poor reception. KeyTV offers a game-changing, single point of control of over-the-air, cable, and satellite feeds. Visit us online for more information.

Color-Coded Unified Wiring Standard

Easy-to-trace circuits simplify electrical and entertainment system troubleshooting.

HitchVision™

Simplifies hitch hook-up with "no looking back" convenience.

In-floor Heating Ducts

Distributes heat evenly for greater comfort.

Tuf-Lok™ A/C Duct Joiners

Crush resistant design securely joins ductwork and A/C units, and drastically reduces chilled-air leaks to boost cooling efficiency and comfort.

Tru-fit™ Slide Construction

A more durable slide room design that minimizes functional motor and structural stress, resists leaking.

Details Matter

Built with extra features to transform your camping experience.

Soft-Close Cabinet Doors

Concealed hinges with hydraulics to ease doors closed gently and silently.

Automotive Grade Painted Fiberglass Cap

Carbon caps include Keystone's exclusive KeyGuard™ protective coating designed to provide chip and rock protection.

UPGRADED Roto-Flex™ Pin Box

Reduces chucking and absorbs road shock, resulting in a smoother ride and less wear and tear on your vehicle.

Wired and ready for Solar

Carbons have wiring in place for roof-mounted solar panels and internal controls, making it easy for you to go green and give your coach greater boondocking and campsite flexibility.

Solid Surface Countertops

Durable solid surface countertops are easy-to-clean and provide ultimate food prep flexibility.

FURRION

Furrion® Backup Camera Prep

Easily add ultimate safety and peace-of-mind for changing lanes, merging and making wide turns.

Stainless Steel Appliances (select models)

Includes an oversized 12 cu.ft. refrigerator, 33% larger than other toy haulers in its class.

Dexter 7,000 lb. Axles with Electric Self-Adjusting Brakes

Equipped with U.S. made, heavy-duty axles, and electric self-adjusting brakes that significantly decrease stopping distance and cause less wear and tear on your tow vehicle.

Frame-welded Tie Downs

Industry-leading 5,000 lb. capacity tie downs increase hauling safety and security.

Buckle down and brighten up

Light, airy and inviting, the new Carbon interior delivers exactly what modern owners are looking for. Gray cabinets are finished with a hand-applied glaze adding rich dimension and vintage charm. With lighter finishes throughout and design cues from reclaimed barn wood and shiplap, the 2020 Carbons have quickly become the country's most Instagram-worthy RVs.

Built-in Comfort

Relax at the end of the day with Carbon's ultra-comfortable pillow-top seating.

Abundant Storage

Carbon makes it easier to travel with the gear you need.
