MICRO LITE XLT, MICRO LITE & SHAMROCK

## MICRO LITE XLT SERIES

The Flagstaff Micro Lite XLT is unlike anything in it's class. It has a long list of std features including a full size regular awning, 13.5 K AC, LED exterior lights, Euro Style Jealousy windows, full size furnace and so much more. All of these features and the XLT is still towable by a small SUV or Mini-van makes this trailer sound like a perfect fit.

# MICRO LITE SERIES

In our light-weight entry trailers, the Flagstaff Micro Lite places a premium on superior craftsmanship. The three-burner range and innerspring heated mattresses and many residential features stand out above other products in its class. If you care about quality and safety in this size trailer, the Micro Lite is the best choice.

## HIGH QUALITY CONSTRUCTION

A. Flagstaff is one of the strongest light weight trailers on the market because the trailers are vacuum bonded on all six sides. The walls, floors, roof and fronts and backs have been vacuum bonded to make sure your trailer is light weight and built to last.

B. Structurally engineered materials makes our vacuum-bonded walls some of the strongest in the industry.

## SHAMROCK SERIES

Summer days or rainy nights have little affect on the interior thanks to the fully vacuum bonded exterior. Flagstaff Shamrock is proud to be the only fully vacuum bonded expandable with a full vacuum bonded radius roof.

When you're on vacation, sleeping comfortably should be a given. So we added heated innerspring mattress keep you warm on chilly nights. Take advantage of the bunk light fan to read a couple chapters before bed and circulate the air while you sleep. If comfort is important to you, consider the Flagstaff Shamrock. It's the best in it's class.

## PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every 2010 Flagstaff customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.

## *Forest River's Hallmark of Excellence* PRE-DELIVERY INSPECTION FACILITIES

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

## YOUR FLAGSTAFF DEALER

For details on Flagstaff's complete warranty program, see your Flagstaff dealer. When it comes to backing products with the same quality and commitment it has when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Flagstaff. Flagstaff offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Twelve-year vinyl roof warranty, 2. Two-year fiberglass warranty, 3. Five-year axle warranty, 4. Five-year tent warranty, 5. One-year bumper to bumper warranty, 6. Available second-year warranty

All specifications contained herein are based on the latest product information at time of printing. Forest River reserves the right to make changes in colors, materials, equipment and specifications at any time Without notice and assumes no responsibility for any errors in this brochure.
