BONDED ROOF TRUSS/ FULL WALK-ON ROOF

BONDED ROOF TRUSS SYSTEM WITH CATHEDRAL ARCHED CEILING

The Northwood Bonded Roof Truss System bonds all the components of the roof structure together as a unit. The ceiling, trusses and roof plywood are unified in a bonded system that gives superior load distribution and maximum load bearing capacity.

Top quality exterior grade plywood panels are bonded to the trusses and a thick one piece roofing membrane is then applied for a durable, long lasting seal to protect you and your coach from the elements.

BUILT USING RESIDENTIAL FACE FRAME

Arctic Fox is a True Four Season Coach

My wife and I retired in 2015 and decided to be fulltime RVers. So we purchased a new 2015 Arctic Fox 32-5M which has served us well. We have lived in it fulltime and traveled over 40,000 miles mostly in the western states. Then we got the urge to visit Alaska in a smaller RV. So we purchased a new 2017 Arctic 865 truck camper. So we parked the fifth wheel in southern Arizona and took off on a 5 month 12,000 mile adventure to a Alaska. We are back in our fifth wheel home now and just wanted to let you know that neither RV as ever been to a shop for repairs. We are happy campers. Doak Walker

Attached are several photos I took during a recent camping and fishing trip to Bishop Creek Canyon in the Inyo National Forest in California. There are several campgrounds in the canyon. I stayed at Big Trees Campground, a small beautiful campground located adjacent to Bishop creek. The Arctic Fox performed flawlessly!

This will be our third "real" winter. With proper preparation, our Arctic Fox keeps us warm and comfortable all winter long. We have already weathered a few nights this winter below zero and have not had any problems. We don't stop playing because we grow older, we grow older because we stop playing. Arleen & Shawn Prochazka

2018 NROA Rally Photo Contest Winner

We are on an eleven week Canada / Alaska excursion with our 2016 Arctic Fox 29-5T. Cold, heat, rain, Yukon roads, dust, our Arctic Fox has handled it all with flying colors!
