That is why the resale value in an Arctic Fox remains higher, and your investment retains its value longer. If you ever decide to trade in your Fox, you will get top dollar. That is why you don't see many used Arctic Foxes on the market, folks buy them up as quickly as they become available because Arctic Fox has a reputation for durability and longevity.

# NORTHWOOD BUILT CERTIFIED CHASSIS

## WE BUILD OUR OWN HEAVY DUTY STRUCTURAL STEEL OFF-ROAD CHASSIS

We are one of the few manufacturers that build their own chassis. The name NORTHWOOD is known throughout the industry for quality chassis and we certify ours through an independent testing laboratory for quality assurance.

# THICK WALL TUBULAR ALLUMINUM SUPERSTRUCTURE

.060"-.125"  
(Up to 1/8" Thick)  
heavy gauge thick wall aluminum tubing in our travel trailers & fifth wheels.

## SOLID CORE ANCHOR BLOCKING AND CONTINUOUS WELDS

Now that's an **ABSOLUTE** Quality Superstructure!

# BONDED ROOF TRUSS/ FULL WALK-ON ROOF

UP TO 4" OF EXTRA HEADROOM

The Northwood Bonded Roof Truss System bonds all the components of the roof structure together as a unit. The ceiling, trusses and roof plywood are unified in a bonded system that gives superior load distribution and maximum load bearing capacity.

Top quality exterior grade plywood panels are bonded to the trusses and a thick one piece roofing membrane is then applied for a durable, long lasting seal to protect you and your coach from the elements.

## Northwood's Bow Trusses

5-1/2 inch center height gives the roof plenty of runoff slope to eliminate standing water.

# CUSTOM BUILT FACE FRAME CABINETS

CABINETS W/SOLID WOOD DOORS,  
BUILT USING RESIDENTIAL FACE FRAME  
CONSTRUCTION METHODS &  
INTEGRATED WITH THE WALL & CEILING.

## BEAUTIFUL & STRONG

Solid Wood  
cabinet doors ensure  
lasting beauty and  
rugged strength.

Face Frame  
construction gives our  
cabinets 'high end'  
residential quality.

Structurally Integrated  
cabinetry is  
anchored to the  
walls and ceiling  
structure of our  
coaches making both  
the RV and the  
cabinets stronger.

# A TRUE FOUR SEASON ALL CONDITIONS UNIT

**HEATED ENCLOSED HOLDING TANKS & DUMP VALVES  
DESIGNED FOR COLD NORTHERN/HOT SOUTHERN CLIMATES**

Northwood builds true 4-Season Coaches. Our fully insulated holding tank area circulates warm air around the suspended tanks providing the best protection from freezing. Our knife valves are also enclosed to keep them from freezing. Our 4-Season coaches are insulated with various types of residential quality Rigid Foam, Batten & Reflective Foil insulation to protect you from the winter cold & summer heat.

My wife and I retired in 2015 and decided to be fulltime RVers. So we purchased a new 2015 Arctic Fox 32-5M which has served us well. We have lived in it fulltime and traveled over 40,000 miles mostly in the western states. Then we got the urge to visit Alaska in a smaller RV. So we purchased a new 2017 Arctic 865 truck camper. So we parked the fifth wheel in southern Arizona and took off on a 5 month 12,000 mile adventure to a Alaska. We are back in our fifth wheel home now and just wanted to let you know that neither RV has ever been to a shop for repairs. We are happy campers. Doak Walker

Attached are several photos I took during a recent camping and fishing trip to Bishop Creek Canyon in the Inyo National Forest in California. There are several campgrounds in the canyon. I stayed at Big Trees Campground, a small beautiful campground located adjacent to Bishop creek. The Arctic Fox performed flawlessly!  
Robert Tranter

This will be our third "real" winter. With proper preparation, our Arctic Fox keeps us warm and comfortable all winter long. We have already weathered a few nights this winter below zero and have not had any problems. We don't stop playing because we grow older, we grow older because we stop playing. Arleen & Shawn Prochazka

2018 NROA Rally Photo Contest Winner

We are on an eleven week Canada / Alaska excursion with our 2016 Arctic Fox 29-5T. Cold, heat, rain, Yukon roads, dust, our Arctic Fox has handled it all with flying colors!
