MORE STANDARD FEATURES MORE VALUE

Everything we put into our innovative floorplans are designed to maximize storage and comfort. We don't stop there, to ensure peace of mind after the purchase we have the industry's best RV warranty, 100% pre-delivery inspection, and the leader in parts and service. While other manufacturers offer features as options, we prefer to make those same features standard.

We've built a reputation for bringing RV owners more standard features for less money for over 25 years, and it's a reputation we plan to keep.

100% Pre-Delivery Inspection

At Dutchmen, quality is standard. Every single RV that comes off the line receives its own pre-delivery inspection—a thorough 253-point check to ensure accurate measurements, as well as fully-functional electronics and components.

The Industry's Best RV Warranty

Our industry-best 3 Year Warranty means you don't have to wrangle over the details. We deliver value by clearly outlining the major components we back for the first three years.

The Leader In Parts & Service

Replacement parts. Routine checkups. Expert advice. We've got it all covered. When only the best RV services will suffice, our industry-leading parts and service department is ready to help you get back on the road—and stay there longer than ever before.
