Description

Coachmen Northern Spirit Ultra Lite travel trailer 1943RB highlights:

Rear Corner Bathroom
Two Bar Stools
Entertainment Center
MAX Bed Storage
Dog Leash Clip & Wash

Sleep like royalty at any campsite when you have this trailer setup. You will find the interior is spacious with a slide out sofa including end tables for your drinks and cellphones, and the rear corner bathroom is convenient with a radius shower and linen storage. Your dog can stay clean as well with the exterior dog wash and the dog leash clip will keep them safely at the campsite. While outside you might decide to relax under the 15' awning, and store a few items in the pass-through compartment up front including fishing poles. And the cook will love the L-shaped counter, appliances, the hutch and the bar stools when wanting to take a break or visit with friends.

With any Northern Spirit Ultra Lite travel trailer by Coachmen, the "Twice Cool" dual ducted air conditioning system, motion activated floor lights in the bedroom and bathroom, and the motion activated pass-through storage light plus fishing pole storage, will make your camping experience simplified. The heated and enclosed underbelly provides protection on the road and allows you to camp during any season, the 200W solar panel with 30 amp controller provides off-grid camping, and the power tongue jack makes setup easier. Each is built with a front cap with LED strip lights, a laminated, aluminum framed floor, rear wall, and sidewalls, plus 5" trusses with an interior vault. Make your decision today, and camp with everything in its place!
