Description

Heartland North Trail Ultra-Lite travel trailer 25RBP highlights:

Dual Bath Sinks
Dinette with Bench Seating
King Bed
10.7 Cu. Ft. Refrigerator
Pantry

Head to your state park in this spacious travel trailer that can sleep four people each night. The L-shaped sofa within the large slide will provide comfortable dining and sleeping space, plus there is a dinette with bench seating on one side and two chairs on the other. You and your spouse will love the full rear bath with a dual sink vanity and a shower skylight to let natural light in. This model also includes an outdoor kitchen, plus a 16' power awning with LED lights for great outdoor fun!

When you choose a North Trail Ultra-Lite travel trailer by Heartland you are choosing comfort, convenience, and quality craftsmanship at its best. The block foam brick insulation, enclosed and heated underbelly, plus Weather Guard thermal protection mean you can camp all year around. Each model features a Wide Trax suspension for a smooth ride, and the backup camera prep and solar prep make camping that much easier if you choose those options. Some of the other exterior features you will appreciate are the outside shower, the power stabilizer jacks and power tongue jack, and the outside speakers to keep the party going. Head inside to find stainless steel appliances, oversized windows, and premium flooring that is tear, slip, mold, mildew and cold crack resistant! You can't beat a North Trail travel trailer. Choose your favorite floorplan today!
