Description

Riverside Retro travel trailer 185RK highlights:

Generous Counter Space
Full Bath
Front RV Queen Bed
14' Power Awning with LED Light
Booth Dinette

Wherever you decide to camp, you will be met with at-home comforts in this travel trailer. There is a front RV queen bed with overhead storage and a shirt closet to keep your clothes tidy. The full bath with a 32" x 32" shower will let you freshen up each day, and the rear corner kitchen includes ample counter space to prep meals. You'll also find a two burner cooktop, a sink with a cover, plus a refrigerator for perishables. And Jackknife sofa and booth dinette provide seating and additional sleeping space if needed!

Each Retro travel trailer by Riverside RV will take you back in time with its vintage look, but will still impress you with its modern comforts. The Alpha Super Flex roof system and powder coated chassis provide durability, along with the diamond plate rock guard and reinforced galvanized steel wheel well. You'll enjoy indoor and outdoor speakers, USB ports for your electronics, plus an AM/FM/Bluetooth stereo to play your favorite tunes. New interior features include an Indratech high performance mattress, roller blinds, upgraded black faucets, and convenient sink covers that provide more counter space. Outside, you'll find a friction hinge entry door, a GE 15k rooftop A/C, and enlarged cargo doors with slam latch so you can easily load up your gear.
