CONTEMPORARY STYLING

ULTRA LITE

NANO

Extended campers and adventure seekers alike will appreciate the award winning 293RLDS. With a standard tri-fold Hide-a-bed sofa, wall hugger recliners and a fireplace, this comfortable coach is a great place to kick back and relax. The contemporary, bar height kitchen island with a generous countertop and plenty of storage will make any cook feel at home.

293RLDS

Apex has always been a leader in Ultra Lites. As Winner of the RV News Best of Show for Lightweight Travel Trailers, Apex 293RLDS continues this tradition! Contemporary interior styling along with functional appointments gives Apex 293RLDS the competitive edge.

The two-tone shower surround and basin found in all our Apex Ultra-Lites are standard on all models. 293RLDS and 226BH also include the upgraded tri-slide shower door (shown).

APEX

By Coachmen

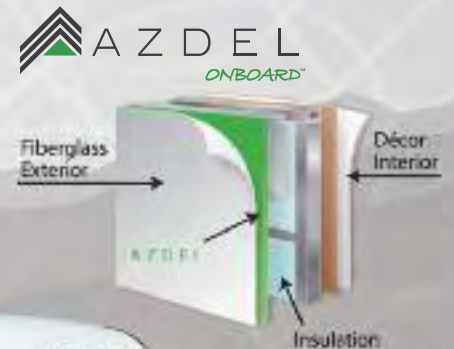

ULTRA LITE

PERFECT FOR SMALLER TOW VEHICLES

Apex Ultra Lites are ideal for towing with half ton trucks and most smaller SUV's, with weights ranging from under 3000 lbs. up to 6500 lbs. All Apex floor plans are designed with rich, warm interiors, contemporary cabinetry, fabrics and flooring. These durable travel trailers are incredibly easy to tow with fully laminated aluminum framed roof and floor, plus lightweight Azdel sidewalls.

Apex is Constructed with Azdel Composite Panels.

AZDEL is 50% lighter than wood, increases insulation value, and won't rot, mold or sustain water damage for years of trouble free camping. Plus it's odor and formaldehyde free.

The open, well planned Apex 287BHSS offers a convenient galley/living area with a direct view from the sofa to the TV. An easy flip lower bunk, at the rear of the coach, has a stow-and-go storage door for larger gear. (Shown in Quartz decor)

ULTRA LITE

Learn More
Scan this barcode using a QR Reader on your smart phone to learn more about Forest River.

A Berkshire Hathaway company.

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and grey tanks to provide for more cargo capacity.

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision. ©2018 Apex by Coachmen RV, a Division of Forest River, Inc., a Berkshire Hathaway company.
