LEGENDARY RENEGADE LUXURY AND QUALITY

DESIGNED FOR ^{YOUR} LIFE

LEGENDARY RENEGADE OF LUXURY - VIENNA

Every Vienna is built with the same high quality Maple hardwood cabinets that Renegade is known for in their larger motorhomes, plus solid surface countertops, stainless steel appliances, and an LED backlit kitchen backsplash. Vienna 25UCB shown in French Cream with Golden Brown cabinets and Optional High Gloss finish.

Vienna is both luxurious and practical. The large U-shaped dinette lounge is crafted from solid Maple hardwood, and is easily converted into a comfortable sleeping area, plus it offers loads of storage under the seats. The vinyl padded walls add a touch of class and luxury to this multi-functional space.

LEGENDARY RENEGADE QUALITY - VIENNA

Despite Vienna's compact exterior footprint, the intelligent interior design is both functional and spacious. Cabinets over the sofa and the cab area create an efficient use of space. Vienna 25QRS shown in Waterfall decor with honey maple cabinet finish.

The main sleeping area has a padded headboard with convenient night stands, as well as overhead cabinets and LED reading lights. Shown 25QRS with Waterfall and honey Maple cabinets.

More than just a dinette, the U-shaped lounge is a great place to relax, enjoy an espresso, or catch up with the world.

VIENNA LIVING SPACES

The patio area of the Vienna extends the living space and features an exterior entertainment center tucked into the sidewall. It includes a Samsung 28" LED TV and an AM/FM/DVD/CD player with remote and dual speakers. Enjoy the outdoors under the Carefree of Colorado lateral arm awning complete with integrated LED lights.
