

CATALINA TRAILBLAZER

A PROUD HISTORY OF QUALITY AND VALUE..... A BRAND THAT YOU CAN TRUST!

Coachmen RV products have been on the US roads and highways since 1964. The first Coachmen RV products were manufactured in a 5,000 square foot plant in downtown Middlebury, Indiana. Coachmen's first year of production included 12 travel trailers, a single truck camper, and 80 truck caps. Since that time, over 600,000 Coachmen Recreational Vehicles have been produced.

The Legacy continues here at Coachmen with over 50 years of RV Manufacturing! Catalina would like to reward our outstanding Dealers and Customers for their continued business! There is no better way to reward you than with the Trailblazer Package! Our Trailblazer Package will be offered on all of our Trailblazer floorplans. All of our best options have been combined into a FREE Trailblazer Package. At Coachmen Catalina, we overtly express our gratitude to those who have already become a part of the Coachmen Family and warmly welcome those future campers that choose Coachmen Products. Thank you for your business!
