EAGLE

YOUR OWN BRAND OF FUN

The most diverse lineup yet of Eagle travel trailers and fifth wheels provides an unmatched combination of livability and fun. Fine finishes throughout, high-end standard features and an array of options make for escapes that are as exhilarating or relaxing as you want them to be.

EAGLE

For over 25 years, Jayco's Eagle brand has represented quality and innovation in camping for the entire RV industry. Building on the past success of the popular brand, great efforts have been taken to further enhance best-selling floorplans, add useful new technology and ideas, fully address customers' wish list items and expectations, and create a truly best-in-class feature set. With thanks and consideration to strongly loyal customers and repeat buyers, Jayco's team of skilled craftsmen, engineers and designers are proud to present the 2017 Eagle.

DISCOVER ONE OF THE LONGEST-RUNNING, MOST SUCCESSFUL RV BRANDS ON THE MARKET

Our offerings have been among the top five best-selling fifth wheel lines in the U.S. for 21 of the last 26 years.

1991 Eagle travel trailer and fifth wheel lines debut

1994 Eagle lightweight series debuts

1997 Eagle becomes the No. 1-selling fifth wheel in the U.S.

2007 Eagle wins its first DSI Award—and has won the award every year since

2008 Jayco celebrates its 40th anniversary; Eagle half-ton line debuts

2016 25th anniversary of Eagle line

With 25 years of customer satisfaction, Jayco's Eagle brand is the longest-running, most successful fifth wheel being built today. Every year, the Recreation Vehicle Dealers Association (RVDA) conducts a private Dealer Satisfaction Index survey of hundreds of RV dealers in the U.S. and Canada. Jayco is honored to report that the **Eagle product line** received the very prestigious **Quality Circle Award** for the ninth year in a row!

Only a select few manufacturers and products are chosen each year to receive the Quality Circle Award. The award criteria is based on Sales Support, Sales Territory, Vehicle Design, Vehicle Reliability/Quality, Competitive Price/Value, Parts Support, Dealership Warranty Support and Overall Dealer Communication.

EAGLE HT TRAVEL TRAILER

A well-appointed blend of comfort and function, the new Eagle HT travel trailer lineup offers industry-exclusive features and options in unique floorplan concepts.

EAGLE TRAVEL TRAILER

The fully redesigned Eagle travel trailer series is brimming with a list of premium standard features, thoughtful options and popular upgrades, setting a new standard for luxury RVing.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UW plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GWMR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications charts above.

EAGLE HT FIFTH WHEEL

Built in shorter lengths and lighter weights to match up with today's half-ton trucks, Eagle HT fifth wheels offer incredible value without sacrificing function or quality.

EAGLE FIFTH WHEEL

Unique, industry-defining design and features paired with an exceptional record of innovation and best-in-class construction set Eagle fifth wheels apart, year after year.

MAKING MEMORIES

THAT LAST GENERATIONS—LET'S JAYCO

Whether you're out for excitement, relaxation or just time together. we take steps others don't to help you stay focused on the fun. No cutting corners here. Let us go the extra mile so you don't have to.

JAYCO'S ROOF **VS** OTHER ROOFS

4,500 POUNDS ON A JAYCO ROOF VS. OTHER ROOFS

THE MAGNUM TRUSS™ ROOF SYSTEM **50** percent stronger

THE JAYCO DIFFERENCE

When you choose Jayco, you get the strongest foundation in the business, unmatched weatherproofing and rock-solid construction.

Tuff-Shell vacuum-bonded, 1. aluminum-framed, laminated sidewalls, end walls and slide room walls provide a

durable, lightweight, well-insulated structure for better protection from the elements

- 2. Magnum Truss Roof System withstands 4,500 pounds—50 percent more than other RV roofs
- 3. Double layer of fiberglass insulation behind the front cap, plus radiant barrier bubble foil and fiberglass insulation in floors to provide extra warmth where it's needed most
- 4. Aerodynamic fiberglass front cap withstands the rigors of the road with infused pigment and gel coating, plus specialty bracing for additional support—not typically found on competing fifth wheels

Extend your camping season with the Jayco Climate Shield™.

It protects against extreme heat and extreme freezing—even in temperatures as high as 100 degrees or as low as zero degrees (Fahrenheit).*

Eagle was tested in zero degrees F and 100 degrees F weather over an extended period of time in a controlled environment, and all functions of the coach were fully operational, Testing was done in a completely controlled environment: therefore temperatures during testing may not represent actual temperatures in nature and cannot account for elements such as wind or moisture. In actual use, unit may not perform as well. Supplier of cooling components does not guarantee anything better than 20 degrees difference from ambient temperature. In addition, outside components are subject to freezing and require steps to properly insulate. Jayco's limited warranty does not cover damage caused by freezing. To learn more about Climate Shield and testing done by Javco, visit www.iavco.com.

Full-width outriggers: We build on full-width

outriggers that are spaced 4-6 feet apart (vs. 8

feet) to better support the weight of the wall.

WE START WITH ONE OF THE INDUSTRY'S foundations

Fifth wheel frame: The frame over the truck bed is built on a superior 2-inch x 6-inch tube perimeter structure to better support the bedroom sidewalls. Competing fifth wheels have a smaller frame; these manufacturers add a Many competitors modify or weld stock frames, which can weaken the integrity of your foundation. Jayco's custom-manufactured frames offer higher strength and durability.

Eagle travel trailer integrated A-frame: The A-frame runs through the main frame, preventing the hitch from buckling—a common issue in competing tack-welded frames.

I-class cambered structural steel I-beams: Jayco uses a unique molded, one-piece design to prevent the unit from twisting; competing three-piece I-beams can warp over time at the welded seams.

Jayco's Industry-Leading 2-Year Limited Warranty

TRAVEL WITH CONFIDENCE

At Jayco, we build our RVs to handle every adventure, then back them with our industry-leading 2-year limited warranty. We, with support from our select partners, have you covered for **2 camping seasons**. That's **730 days**. You won't find a better warranty in the business, because the only strings we attach are those that deliver

the ultimate in reliability. That's the Jayco difference. So go explore. We have the warranty that will follow you anywhere. For a copy of our 2-year limited warranty with full terms and conditions, please contact your local Jayco dealer.

Generations of family fun.

ROADSIDE ASSISTANCE

Coach-Net

A year's access to Coach-Net[™]—the country's largest RV emergency road service.

Meet your Jayco Dealer

We work hard—so you can play hard. From finding the perfect Jayco for your family to providing flexible financing options and full-service support, we're here to help.

CCO advantage[™]

Jayco's long-term commitment to generations of family fun

After five years of increased efforts to eliminate waste, conserve energy and increase recycling, we've come a long way in building RVs that are not only better for your family—but also better for the planet.
