SOLSTICE

LITE

STEP UP TO
FIFTH WHEEL LUXURY.

Solstice Lite fifth wheels are turning heads with impressive 102" widths, top-quality construction details and residential-style comforts. You can count on the durability of a gel coated fiberglass exterior, exclusive TuffShell™ walls and the one-of-a-kind Magnum Roof System. If it's time to take a step up, this is for you.

A

Solstice Lite dazzles with spacious interiors that feature beautiful sandalwood maple hardwood cabinetry. Other impressive standard amenities include an oversized LED TV, multi-media sound system and decorative lighting.

B

The kitchen's contemporary style starts with solid surface countertops with a handy sink cover and pop-up USB and electrical receptacle. The comforts of home continue with a three-burner range, 8 cu. ft. refrigerator, microwave and plenty of cabinet storage.

C

Select floorplans feature an outside kitchen with a sink, a refrigerator and a bumper-mount grill — all so you can enjoy the finest in outdoor living.

TWO-YEAR WARRANTY

At Starcraft we are proud to back our RVs with a two-year manufacturer's limited warranty. For a copy of the two-year limited warranty with full terms and conditions, ask your local Starcraft RV dealer.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. **Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC. **Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC. **Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.
