THE NEW 2017

# Cricket®

# LIGHTWEIGHT & RUGGED MEANS THE CRICKET IS TOWABLE BY MANY 4-CYLINDER VEHICLES

With a length of 15', a width of 6'-7" (no wider than the average car), and a total dry weight of 1450lbs, the Cricket allows you to tow it almost anywhere with whatever you drive.

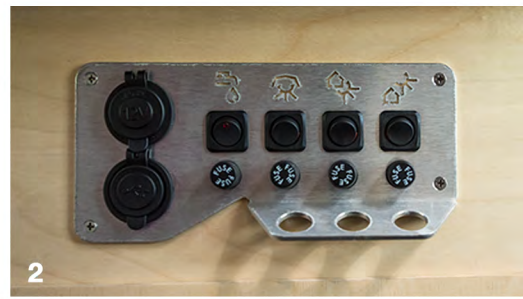

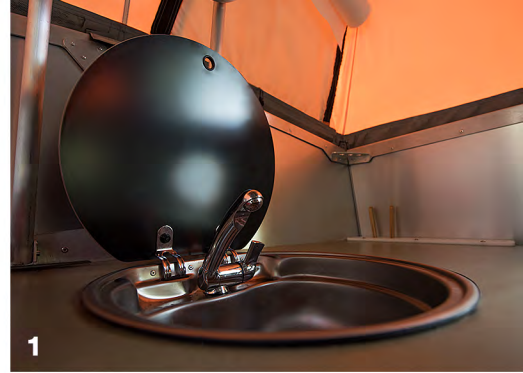

# ENDLESS CONFIGURATIONS

Ample storage space and attachment points give you endless configurations for all your adventure gear, kit, and grub.

Comfortably sleeps two adults and two kids.

# EVERYTHING YOU NEED TO GET OUT THERE

- 1 Kitchen** - Large counter with covered sink, space for your campstove, prepping, cooking, and storage
- 2 12 Volt LED Lighting** - Find the right light for any time of day with task lighting over the kitchen, and ambient, task, and night lighting in the cabin
- 3 Electrical** - 120V inlet for shorepower connection, 3+ days off-grid, tow vehicle connection recharges battery while hauling, and solar ready connection
- 4 V-berth Bed, Lounge, Storage System** - Access under-bed storage, use of pop-up table while maintaining use of the bed, and lots of ceiling storage
- 5 Views and Ventilation** - Four windows with integral shades and screens frame your views and provide great cross ventilation when seated or sleeping. Five additional windows in the tent side do the same when standing.

# EYE-CATCHIN' GEAR HAULER

**Exterior Storage** - Roof rack system, tongue mounted toolbox, and bumper steps provide the right storage for each piece of gear

**12" of Ground Clearance** - 15" rims with rugged, radial tires and torsion axle provide industry best ground clearance

**Rear Hatch** - Provides for easy loading and increased connection with the outdoors
