EXPRESS SUPER LITE

What looks small, but packs a big punch when it comes to living space; the Passport Express Super Lite! Whether it's the feel of sleeping in the open air with our expandable models or the need for a trailer that can be towed by most small SUV's, the Passport Express Super Lite is the Passport way of making camping easy.

ALL NEW EXPANDABLES NOW AVAILABLE!

Passport expandables compact design comes with travel-friendly lengths and lightweight floorplans that make this travel trailer towable by many smaller vehicles*.

*CHECK WITH YOUR VEHICLE MANUFACTURER FOR TOWING SPECIFICATIONS

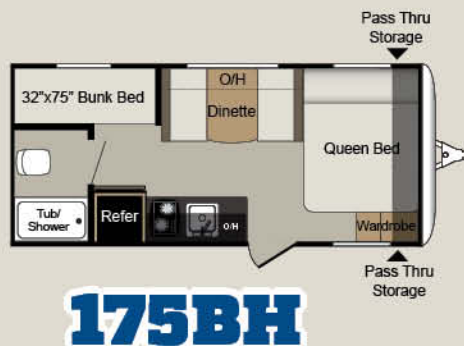

The Passport Express Expandable Series has been specifically engineered to maximize sleeping capacity while keeping both weight and overall length of the trailer in mind. Without sacrificing the look, comfort and amenities found in the regular Passport Express, the expandables also offer the latest in hybrid technology.

PASSPORT HYBRID EXPANDABLE TENT SYSTEM

Our tent system makes setting up and tearing down your hybrid a breeze. You no longer have to worry about awkward support bars or the tent canvas not being properly sealed to the tent door.

★ ★ ★ ★ ★ GRAND TOURING

One word describes the Passport Grand Touring. Amazing! The Passport Grand Touring didn't get the memo that it was suppose to act like the other lite weights. With size and features of a full size camper, this Passport is still made for today's SUV's and half ton vehicles. So go ahead and live large, go lite, and get more with a Passport Grand Touring.

SPECIFICALLY BUILT FOR THE WEST

EXPRESS AND GT WESTERN EDITION MODELS ARE AVAILABLE

Oregon production gives West Coast buyers an extreme price advantage over products produced in Indiana due to decreased freight costs. The Pendleton, OR plant also enables the Passport team to offer a trailer that is “specifically built for the West”

What do we mean by “specifically built for the West”? The Western Edition Passport is geared to the specific needs of the West, where camping is done year round and primarily without the luxury of full hook ups to sewer, water, and electricity regularly found in campgrounds in the Midwest and the East.

The Western Edition Passport models are generally, smaller, lighter, and carry more robust features such as added insulation, larger holding tank capacities, more interior and exterior storage. We hope that you enjoy our affordable west coast floor plans, added features, and ease of towability with the Western Edition Passport.

STAY IN TOUCH

Passport is always just a touch away. You'll find 360 virtual tours, location of your nearest dealer, photos, videos and all of the latest information about Passport on our easy to navigate website. Everything you need can be accessed anytime, day or night, from home or on the road. You can also find us on the Keystone RV facebook.

www.keystonerv.com/Passport
www.keystonerv.com/Passport-Elite

YOUR LOCAL DEALER:

KEYSTONE RV RECOMMENDS BUYING LOCALLY

It's up to you where you purchase your new Passport, but may we suggest your local dealer? Not only does it help your local economy and provide jobs, but it will also give you an opportunity to develop a service relationship with someone that will come to know you and your coach. Congratulations on finding the best built, best equipped, best value in the industry, and happy travels!

DECEMBER 2016

Product information is as accurate as possible at the date of publication of this brochure. Features, floor plans, and specifications are subject to change without notice. Please also consult Keystone's web site at keystonerv.com for more current product information and specifications. Tow Vehicle Disclaimer. CAUTION: Owners of Keystone recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Keystone products. Keystone disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. KEYSTONE'S LIMITED WARRANTY DOES NOT COVER DAMAGE TO THE RECREATIONAL VEHICLE OR THE TOW VEHICLE AS A RESULT OF THE SELECTION, OPERATION, USE OR MISUSE OF THE TOW VEHICLE. *Length is defined as the distance from the centerline to the hitch pin/coupler to rear bumper of the trailer.
