#LETSJAYCO

Where do you want to go? With Jayco, you're headed straight for family fun—regardless of the destination. From wooded campgrounds to sandy beaches, swimming hole docks to scenic byways, maximize the moment with unmatched quality and added comfort. So what are you waiting for? Make new memories—and share them with the world.

GENERATIONS OF FAMILY FUN

Jayco has been awarded the prestigious RVDA DSI Quality Circle Award for nine years running, winning more than 75 awards across all of its product lines. The award, based on a survey of hundreds of RV dealers in the U.S. and Canada, takes into account product quality, value, service/support and more.

Unloaded Vehicle Weight (UWV): Sometimes referred to as "Dry Weight," UWV means the typical weight of this trailer as built at the factory. The UWV, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UWV plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWV and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UWV. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

BATHROOM

HOLDING TANK

BEDROOM

*Unit was tested in zero degrees F and 100 degrees F weather over an extended period of time in a controlled environment, and all functions of the coach were fully operational, including full fresh water tanks. Testing was done in a completely controlled environment; therefore, temperatures during testing may not represent actual temperatures in nature, and cannot account for elements such as wind or moisture. In actual use, unit may not perform as well. Supplier of cooling components does not guarantee anything better than 20 degrees difference from ambient temperature. In addition, outside components are subject to freezing and require steps to properly insulate. Jayco's warranty does not cover damage caused by freezing. To learn more about Climate Shield and testing done by Jayco, visit www.jayco.com.

MAKING MEMORIES THAT LAST GENERATIONS—LET'S JAYCO

Whether you're out for excitement, relaxation or just time together, we take steps others don't to help you stay focused on the fun. No cutting corners here. Let us go the extra mile so you don't have to.

THE JAYCO DIFFERENCE

- 1. Vacuum-bonded walls and fiberglass exteriors** for better protection from the elements (n/a on Octane Super Lite)
- 2. Magnum Truss™ Roof System** withstands 4,500 pounds—50 percent more than other roofs
- 3. Welded aluminum frame** for a durable, lightweight structure (n/a on Octane Super Lite)
- 4. 2-inch, vacuum-bonded and insulated garage floors** aren't found on most competing toy haulers, and deliver added durability for your heavy toys
- 5. D-rings rated for 2,500 pounds** are mounted through the vacuum-bonded floor and bolted to a steel plate attached to the frame; some manufacturers don't add this extra reinforcement

SEISMIC EXCLUSIVE

- 6. Double layer of fiberglass insulation** behind the front cap, plus Flexfoil® and fiberglass insulation in the floors to provide extra warmth where it's needed most—in the bedroom, bathroom and living rooms
- 7. Aerodynamic front cap** withstands the rigors of the road with infused paint and gel coating, plus 1/4-inch plywood bracing for additional support—not typically found on competing fifth wheels

Meet your Jayco Dealer

We work hard—so you can play hard. From finding the perfect Jayco for your family to providing flexible financing options and full-service support, we're here to help.

Follow Jayco
