FIFTH WHEELS

SANIBEL

SANIBEL

by PRIME TIME MFG.

INTELLIGENT.

» *in-tel-li-gent*, adj. smart; clever; sensible or rational; showing or resulting from an ability to think and understand things clearly and logically.

Prime Time Manufacturing is proud to offer Sanibel – a luxury fifth wheel built to stand unequivocally on its own with a level of intelligence that far exceeds the status quo. From its well-designed, spacious interior, to its modern amenities and extra creature comforts, the Sanibel is your home away from home. The interior is crafted around comfort, sight, and convenience.

Modern cabinetry, residential appointments, and rich textures create a sophisticated space of warmth and elegance. Fabrics are specially treated to provide the softest touch and breathability for comfort in heat or cold. Every element of Sanibel will create a personal connection with the user that focuses on enjoyment and satisfaction.

LIVING ROOM.

The Intelligent Lighting Package

When choosing lighting for Sanibel, we took the same uncompromising approach to intelligent design. For instance, the "Stay Cool" LED lights found at the critical seating areas offer both a stunning presence and smarter thinking.

Along with lower energy consumption and longer life, the LEDs emit significantly less heat, helping to maximize your comfort both day and night.

KITCHEN.

The Intelligent Kitchen!

The Intelligent Kitchen is symbolic of the genius behind Sanibel's inspiration. Work spaces and storage areas have been carefully designed and positioned for instinctive reach and use. Premium components have been selected for long term durability. An advanced appliance package will indulge your residential desires while brilliant cabinet doors and drawers made from Artisan Cherry Wood will welcome you with handsome looks. The Intelligent Kitchen, like each and every detail of the Sanibel, has been examined and questioned to ultimately provide a single result – the highest level of owner satisfaction.

BEDROOM.

The Intelligent Bedroom!

The expansive interior of the Sanibel was astutely designed to adapt its volume to your needs. A quick examination under the king size bed will expose a massive storage area that is up to 300% larger. Shoe storage in the wardrobe, six large vanity drawers, and multiple overhead cabinets are additional examples of intelligent space utilization. However, the creation of space was also a priority with Sanibel. That's why you will find extra "convenience inches" in the bed slide and large "hidden" drawers recessed into the front wall. Our designers even added radius corners to the I-Rest Mattress® to assist in traffic flow.

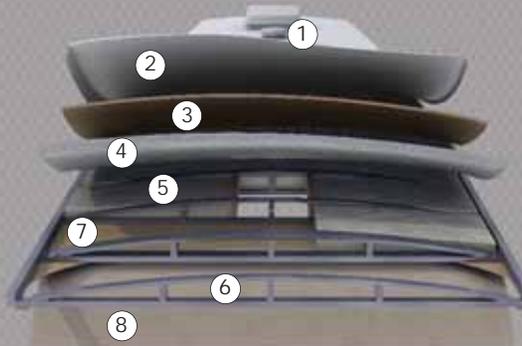

CONSTRUCTION.

Intelligent Construction

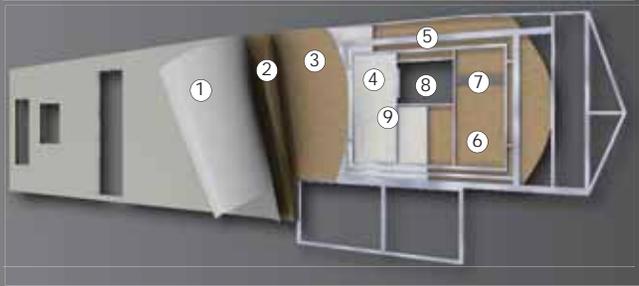

Roof Construction (R-52)*

1. Dual Attic Vents
2. Heavy Duty TPO Roof with 12 Year Warranty
3. Walk-on Roof with 3/8" Decking
4. Radiant Shield Technology (R-38)
5. Two Layers of Fiberglass Insulation (R-14)
6. 5" Snow Load Approved Rafters on 16" Centers
7. 1/8" Plywood
8. Stain Resistant Vinyl Ceiling

Attic Vent

Intelligently designed and placed, two Attic Vents are installed on your roof helping to eliminate condensation and moisture.

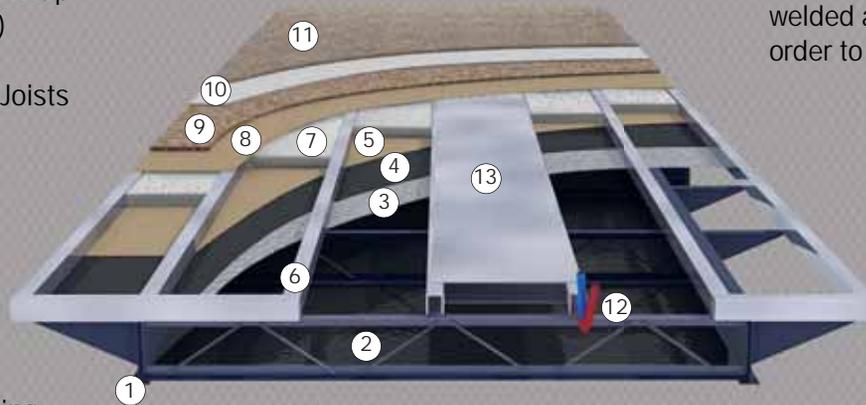

Sidewall Construction (R-14)

- » 1. "Dura Gloss" Gel Coated Fiberglass
- » 2. First Layer of 1/8" Plywood
- » 3. Second Layer of 1/8" Plywood
- » 4. Hi Density EPS Foam
- » 5. Heavy Gauge Aluminum Framing
- » 6. Interior Layer of 1/8" Plywood Decor Board
- » 7. Strategically Placed Sheet Metal Backing Strips
- » 8. Aluminum Framed Window, Door, and Baggage Cut-Outs
- » 9. Radius Corner Blocks

Floor Construction (R-52)*

1. 12" I Beam Powder Coated Frame
2. Enclosed Underbelly
3. Floor Vapor and Moisture Barrier Wrap
4. Radiant Shield Technology (R-38)
5. 1/8" Plywood
6. 3" Heavy Gauge Aluminum Floor Joists
7. 3" Hi-Density EPS Foam (R-14)
8. 1/8" Plywood
9. 5/8" One-Piece Floor Decking
10. Residential Grade Carpet Pad
11. Deep Pile Residential Grade Carpeting
12. Enclosed and Heated Galley Water Lines
13. In-Floor Straight Line Heat Ducting

ETERNABOND® Construction

Sanibel is built with Prime Time's ETERNABOND® Construction Technology. Every wall, floor and slide-out roof is made up of welded aluminum framework that is then laminated together in order to build a stronger, longer lasting Recreational Vehicle!

* R-Values calculated at 80° Ambient Temperature

HEATING & COOLING.

Intelligent Thermal Package

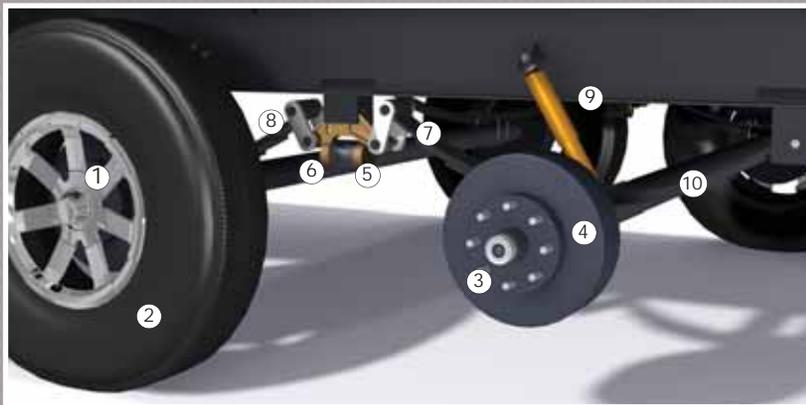

- Tested at -13 Degrees
- Heated, Enclosed Water Lines
- Enclosed Underbelly
- Heated Holding Tanks
- 12 Volt Holding Tank Heat Pads
- Radiant Shield Technology Wrapped Holding Tanks (R-38)
- Double Layer of Fiberglass Insulation In Roof (R-14)
- Radiant Shield Technology In Roof (R-38)
- 3" Hi-Density EPS Foam in Main Floor (R-14)
- Radiant Shield Technology Under Main Floor (R-38)
- Insulated Slide Room Floors (R-38)
- Insulated Bath and Bed Deck Floors (R-38)
- Directly Heated Pass Thru Storage
- Directly Heated Universal Docking Center
- Dual Zone "Quiet Cool" Air Conditioners
- Dual Attic Vents
- 40,000 BTU Furnace

Sanibel extends intelligent design to all parts of the fifth wheel including how the holding tanks are heated. Each tank is equipped with oversized ① 12 Volt heating pads for direct heat application. Every tank is then wrapped with ② Radiant Shield Technology (R-38) to help spread the heat over the tank surface while protecting it from cold exterior temperatures. This intelligent design ensures that ALL of your holding tanks are adequately protected while also ensuring that ALL of the heat from your furnace stays INSIDE your Sanibel to maximize your comfort. Unlike forced air applications, customers also appreciate that you can activate the heat pads during transit for additional protection.

SUSPENSION. Intelligent Suspension

1. 16" Aluminum Wheels
2. Upgraded Radial Tires
3. "E-Z LUBE" Axle Hubs
4. Heavy Duty 8-Lug Hub Face
5. "E-Z FLEX" Rubberized Suspension
6. 12 Point "Wet" Bolt Assembly
7. Heavy Duty Brass Bushing Assembly
8. Heavy Duty 1/2" Shackle Plates
9. Heavy Duty Gas Shocks (4)
10. Heavy Duty 7,000 lb. Axles

NEW.

Sanibel's design team is constantly looking for ways to improve upon the success of North America's favorite luxury fifth wheel. The all-new Sanibel 3790 and 3791 with residential refrigerator are perfect examples of these efforts. This innovative floorplan utilizes every available inch of the interior to maximize comfort, livability, and storage. You might find yourself thinking, "this is the best floorplan I've ever seen!"

*UVW (Unloaded Vehicle Weight) * is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. *Estimated Average based on standard build optional equipment.*

*CCC (Cargo Carrying Capacity) ** is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. ** Estimated average based on standard build optional equipment.*

See back page for additional specification definitions.

ADDITIONAL SPECIFICATIONS:

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axes.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

24/7 EMERGENCY ROADSIDE ASSISTANCE

Coach-Net®

For a worry-free ownership experience Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River, Inc., dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
