

XLR NITRO

TRAVEL TRAILER & FIFTH WHEEL
TOY HAULERS

42DS5

CLEAN, CONTEMPORARY STYLING

This convenient island kitchen puts the cook in the center of the action! Contemporary kitchen appointments include a 50/50 stainless steel sink and appliances, cabinets with hidden hinges for a sleek look, loads of counter space, plus plenty of storage. Solid wood slide out fascia surrounds Nitro's plush four seat Zero wall recliner sofa with integrated lumbar support. Blue LED lighting accents the heat/massage control cup holders and sofa base. An above garage loft is a great sleeping place for kids, or serves as additional storage. The access ladder stows away in the garage.

XLR NITRO

TRAVEL TRAILER & FIFTH WHEEL TOY HAULERS

At the end of the day, the right Toy Hauler delivers the best of both worlds – a relaxing retreat after an exciting day's adventure, and a safe, secure shelter for your toys, dogs, gear, equipment – anything! Nitro is known in the industry for a distinctive style with premium kitchen appointments, versatile, well-planned living spaces and garage essentials to fit your growing family and ever changing interests. All Nitros come with an XLR king bed for a better night's sleep.

42DS5

A sliding glass door leads to the side patio with a protective rail fence for extended living and entertaining. Access the second bathroom and garage area via the patio deck. Shown with an optional 32" LED TV.

Nitro impresses with styling that amps up the WOW factor! Blue LED accent lighting, contrasting Birchwood plank style flooring, rich Espresso cabinets and wainscoting add pop. An AM/FM Bluetooth Sound Bar with three zone programming in the living room, garage and outside, lets you enjoy premium entertainment. The living area has a 40" LED flatscreen TV and DVD player. Blu-ray is an available option.

This plush master bedroom is complete with an XLR king bed, nightstands, an electronics charging outlet, overhead cabinets, and a large wardrobe slide out with drawer storage. The bathroom includes a contemporary radius shower with glass doors and a porcelain toilet. (Chestnut décor)

29KW

This open floorplan is the ultimate in versatility. Birchwood plank style flooring in the living area transitions to durable oil and gas resistant industrial flooring in the garage. 5000# D-rings attached to the frame secure your cargo. Optional carpeting can be rolled out into the garage to increase the living area. The 29KW comes with two Eurostyle reclining chairs and a table, plus a large 50" LED flatscreen TV, and a Happijac bed lift system. (Raven décor)

All Nitro models have a spacious XLR king bed with stylish pillow shams and a bedspread!

Go off grid! Keep the kitchen stocked and the crew happy with tons of storage in the galley. It's equipped with a 50/50 stainless steel sink, a gooseneck faucet, and stainless steel appliances. A sink cover increases counter space and doubles as a cutting board.

CONSTRUCTION

1. Gel coat fiberglass radius cap
2. Radiant foil barrier
3. 7,000 lb. E-Z Lube® Dexter® Axles (FW)
4. 16" E-rated tires
5. Nitro filled radial tires
6. 5/8" Plywood floor decking
7. Fully enclosed underbelly
8. Holding tanks secured by frame cradle
9. 3" Wood floor joists with fiberglass insulation (Most models)
10. Slam latch compartment doors
11. High gloss fiberglass exterior
12. Laminated and insulated slide out end walls/roof
13. 1" Garage floor decking with rubberized flooring (FW)

19. High efficiency A/C duct system
20. Vacuum bonded sidewall with block foam insulation
21. 3/8" Roof decking
22. Fiberglass insulation plus radiant foil barrier
23. Attic vents
24. 102" Widebody construction
25. Full walk on roof
26. 2" Aluminum framed sidewalls

Both the standard and V-nose front caps are two-tone painted for outstanding curb appeal.

PERFECT FOR SHORT BED TRUCKS

XLR offers three V-Nose models that are unique to the Toy Hauler industry. The aerodynamic V-nose front end provides a better turning radius and allows towing without a slider hitch on short bed trucks, plus improves fuel economy. Insects bounce right off the V-nose resulting in quicker clean up. (35VL5, 36VL5 and 38VL5)

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight) - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

**Estimated Average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

TRAVEL TRAILER & FIFTH WHEEL
TOY HAULERS

GO BIG. GO BOLD. GO XLR!

Nitro offers six fifth wheel and four travel trailer floor plans to accommodate your lifestyle. Outdoor enthusiasts, family vacations, sporting events or off-road expeditions... the possibilities are endless. Even better, Nitro's versatile floorplans will grow with you for years.
