## CONNECT LITE

Connect Lite ultra-lightweight travel trailers offer your family the amenities they're used to, yet don't skimp on stylish good looks or construction. We use 5/8-inch tongue and groove plywood, seamless countertops with under-mount kitchen sink and sink covers, a 6.3 cubic foot refrigerator with temperature controls, and Congoleum® linoleum with a three-year warranty against cold-cracking.

C211BH | Boulder décor

Connect is packed with storage areas, including under-bed, wardrobe and overhead cabinets. Bedrooms include our under-bed storage system, accessed by lifting up on the plywood bed base with gas struts.

# EXTERIOR FEATURES

Fiberglass front cap is the main feature of the Premium and Platinum Packages!

Floorplans with exterior cook stations are convenient, and allow your family to enjoy the ambience of outdoor cooking without the mess of campfire prep and cleanup.

Our key-alike entry system offers not only the convenience of one lock for all applications, but security as well. Now, other campers with standard industry keys can't open your storage compartments or entry doors!

Rear Storage System offers additional trip storage for firewood, bikes and anything you don't care to store in your unit, and is rated for up to 150 pounds.

Sleek, Euro-style steps feature strong steel linkage and anti-slip rubber grooves. Aluminum steps resist rust and ensure long-lasting durability.

ToyLok® is included in the K-Z Advantage Package (Connect only).

Exterior storage areas are sizable and easy to clean, and include extra-large radius doors with magnetic catches.

The EquaFlex rubberized equalizer absorbs road shock and reduces fore-to-aft movement.
