Reinforced Dovetail Drawers

LED TV with Bluetooth Soundbar

Solid Cherry Slide Fascia

The Columbus 386FK kitchen boasts residential refrigerator options, a full size lazysusan, appliance garage, residential range hood and comfortable seating for the option of entertaining friends or an at home feel with your family. 20 cu ft residential refer, Chestnut Cherry wood and tile look floor pictured left.

The 298RLC pictured left in Chestnut Cherry wood, Metropolitan cloth interior and tile look floor offers luxury feel in a smaller length at 36' 9" total, plus an outside kitchen. 48" LED TV's with soundbar and DVD player comes standard and the entertainment center allows for loads of storage with plenty of room to spread out and relax.

Columbus offers 2 exterior colors. White, shown above, and Cream.

The 383FB half bath, pictured above, designed with residential details, provides an additional linen closet, solid surface countertop with deep sink and porcelain toilet. Rich hand-rubbed, raised panel cherry hardwood cabinetry, five inch drawer handles, durable dovetail drawers with reinforced bottoms and attractive raised panel cabinet doors and hidden hinges create an upscale feeling of home in the large front bath, pictured right, in Espresso Cherry wood, with solid surface countertops and a double bowl vanity, this floorplan offers a true walk in closet, plenty of storage and washer and dryer hookup. All Columbus models offer 60"x30" residential showers with triple sliding glass shower doors, built in seat and oversized skylight.

The Columbus bedroom offers a pillowtop mattress, stylish headboard and beautiful comforter and pillow set. Cherry hardwood presstop dresser, an industry leading bed slide height for more head room, and a revamped front closet with sliding glass doors to provide full access completes the distinctive style for any fifth wheel enthusiast.

TOWABLES DEFINITIONS

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The **UVW** does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. *Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. **Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for the quality assurance in every unit built.

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

Coach-Net®
RV Technical & Roadside Assistance

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
