New this year is a front profile that offers 78-inch interiors! You'll appreciate the seamless countertops, spacious work surfaces and deep single sink, large enough for filling pots, pans and pitchers.

Escape offers a comfortable queen bed mattress with under-bed storage.

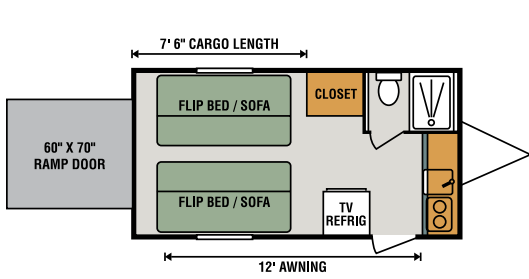

Kids love these bunk beds with plush pile mats. Storage under the bottom bunk, too!

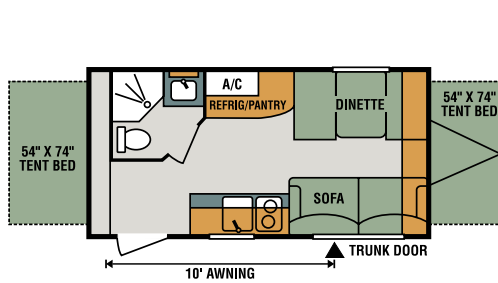

Large kitchen and dining area offers plenty of storage and space to spread out and relax, and feature upgraded, seamless table surfaces.

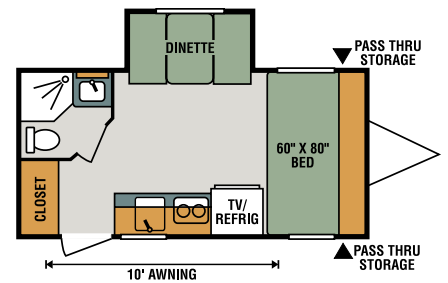

The dinette easily converts into an additional and sizeable sleeping surface (shown with optional 6 CU FT refrigerator).
