

***PALAZZO***  
BY THOR MOTOR COACH

**THOR**  
MOTOR COACH

Made to fit.

When we say  
*Made to Fit*  
we mean it.

With so many unique models available, Thor Motor Coach motorhomes are priced to fit anyone's budget – from families buying their first motorhome to full-timers looking for a roaming “dream home”.

No matter how you choose to spend your time or your money, there's a TMC motorhome that fits your needs.

Welcome to the **Palazzo**, the motorhome that is ***Made to Fit*** your enthusiasm.

See what's new on the  
**Palazzo for 2017.**

# ATLAS<sup>TM</sup>

## FOUNDATION

### Laying the Groundwork for Safe Travels

The Atlas Foundation<sup>TM</sup> is the premier building platform and substructure in the industry. Thor Motor Coach has partnered with industry leaders, Freightliner<sup>®</sup> Custom Chassis and MORryde<sup>®</sup> International, to bring you this innovative building design.

Innovation doesn't just happen, it takes a dedicated team of the very best designers and engineers working together to tackle the challenges in the road ahead. From the very start our main focus is you, and you will see that from the moment you step into the motorhome.

The Atlas Foundation<sup>TM</sup> is a fully integrated basement foundation design. This means that trusses, cross members and ladder assemblies are pre-formed and laser-cut from high-strength, 50 grade HSLA steel, which provides greater resistance to corrosion than carbon steel.

The structure is assembled and welded on a flat, laser-leveled table, then hoisted onto the OEM chassis and welded into place. This system includes a built-in, unit floor leveling system, which

maintains the true squareness of the motorhome body and helps prevent crowning.

Fiberglass lined, pass-through storage bays span the width of the unit with steel support under each of the compartments. The steel sub-frame can support more than 1,000 pounds per compartment. Designed to facilitate greater luminosity, the interior mold and mildew resistant fiberglass lining is white, making it easier to see within the compartment in low-light situations.

Built strong and insulated to help reduce heat transfer, the firewall and rear engine cage are fully encased in steel, which eliminates engine and road noise.

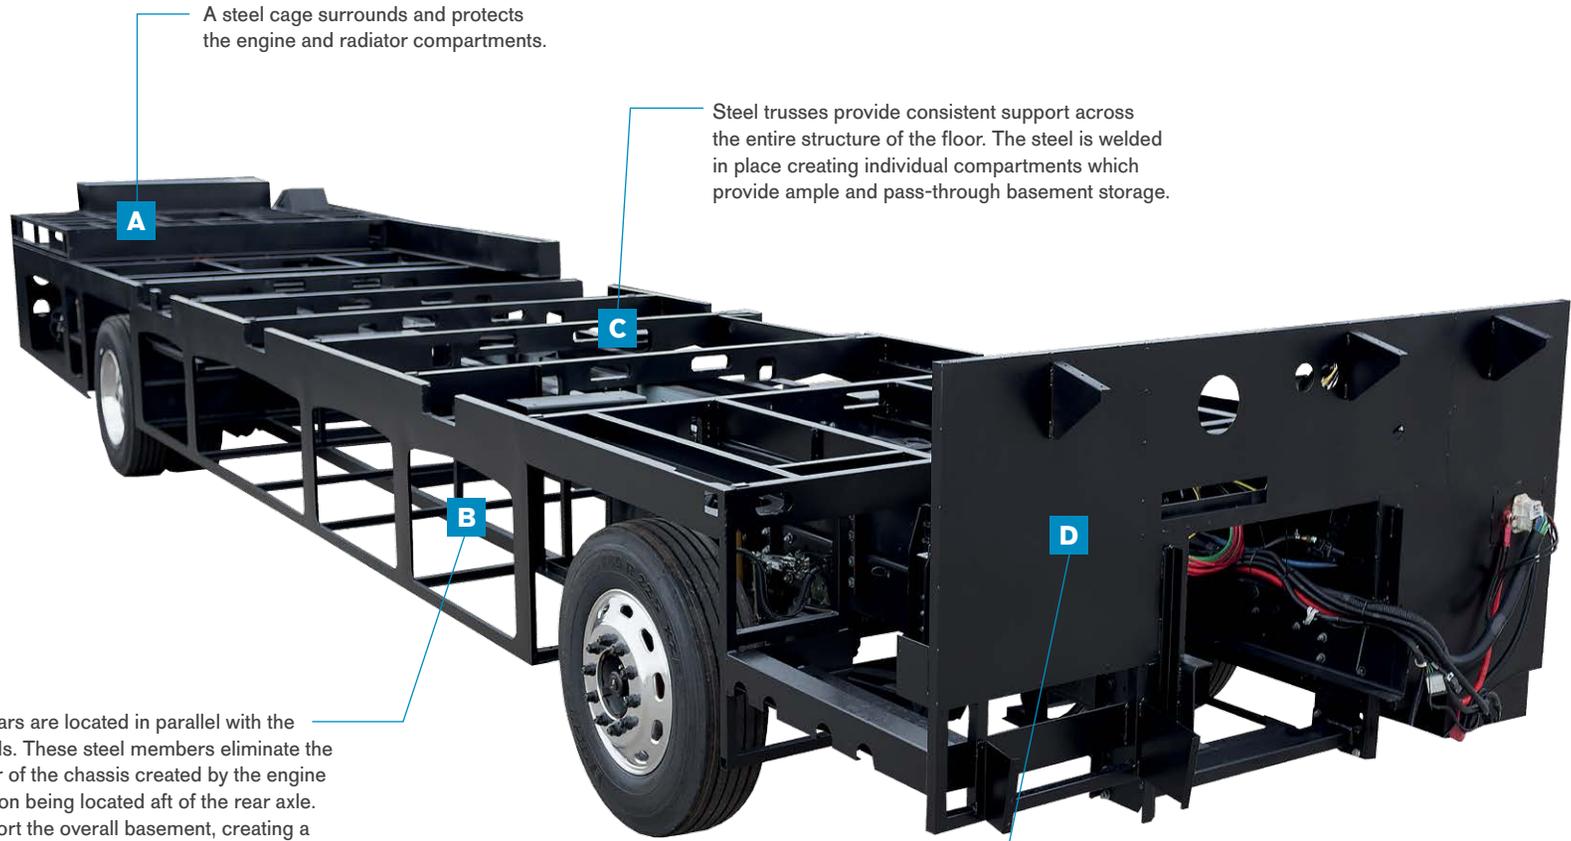

You're the one who will rely on our innovation for years to come. You're the one who will feel the strength of the Atlas Foundation<sup>TM</sup> as you drive the open road. You're the one who will benefit from our hard work and commitment to excellence.

We didn't just design the Atlas Foundation<sup>TM</sup>, we crafted it to fit you.

Check out the in-depth video of the Atlas Foundation™.

*A home needs a strong foundation and that is especially true for the home that rolls down the road. The Atlas™ Foundation under the Venetian provides an excellent base to construct your new motorhome.*

A steel cage surrounds and protects the engine and radiator compartments.

Steel trusses provide consistent support across the entire structure of the floor. The steel is welded in place creating individual compartments which provide ample and pass-through basement storage.

Anti-camber bars are located in parallel with the main frame rails. These steel members eliminate the natural camber of the chassis created by the engine and transmission being located aft of the rear axle. The bars support the overall basement, creating a true structure to mount the house of the motorhome.

The steel firewall protects the front of the coach while providing a strong anchor point for the cockpit. Solid foam insulation is added to provide a buffer to eliminate road noise and help prevent heat and cold transfer.

# Features

## CONSTRUCTION & EXTERIOR

- Freightliner® XC-S Straight Rail Chassis
- Cummins® ISB 6.7L Diesel Engine with 300HP, 660 lb.-ft. Torque (33.2, 33.3 & 33.4)
- Cummins® ISB 6.7L Diesel Engine with 340HP, 700 lb.-ft. Torque (36.1 & 36.3)
- 6-Speed Allison Automatic Transmission
- I-Beam Front Axle with 55° Wheel Cut
- Air-Ride™ Suspension
- Full Air Front & Rear Drum Anti-Lock Brakes
- Exhaust Brake
- Sachs® Shock Absorbers
- Dual Fuel Fills
- One-Piece Fiberglass Front & Rear Caps
- Invisible Front Paint Protection
- Full-Body Paint Package with Gel-Coat Sidewalls
- Automatic Leveling Jacks with Touchpad Controls
- Basement Pass-Through Storage Compartment
- Easy Slide Storage Tray (33.2, 33.3, 36.1 & 36.3)
- Side-Hinged, Flush Mount Radius Compartment Doors
- Power Patio Awning with Integrated LED Lighting
- Slideout Room Topper Awnings
- 3TRAX® Wall Slide System (33.2, 33.3, 33.4, 36.1 & 36.3)
- Frameless Dual Pane Windows
- Roof Ladder
- Electric Entry Step
- Entry Door with Deadbolt Lock
- 10,000-lb. Trailer Hitch with 7-pin Round Connector

## AUTOMOTIVE & COCKPIT

- 10" Touchscreen AM/FM Dash Radio with CD/DVD Player, Bluetooth®, Back-Up Monitor & Mirror Display
- Heated/Remote Exterior Mirrors with Integrated Side View Cameras
- Leatherette Reclining/Swivel Captain's Chairs
- Power Adjustable Driver's Seat

**IMPORTANT—PLEASE READ:** This brochure reflects product design, fabrication, material, components and specifications at the date of printing, which date is disclosed below. **Please visit us online at [ThorMotorCoach.com](http://ThorMotorCoach.com) or consult with your selling dealership for the latest in standards, options, specification and technical information.** Photographs in the brochure may depict optional equipment or may only be available in certain floor plans. Components, appliances and the chassis may have been manufactured in a calendar year before the vehicle's designated model year. All capacities are approximate. The actual length of the vehicle may differ from that indicated in the brochure due to variances in the manufacturing processes and/or installed components. All dry weights are based on standard model features and do not include optional features or equipment. Component part and appliance manufacturers issue limited warranties covering portions of the vehicle not covered under the limited warranty we issue. Copyright Thor Motor Coach, Inc. © OH 01/26/17

- Emergency Engine Start Switch
- Tilt/Telescoping Steering Column
- Fog Lights
- Power Roller Shade on Windshield
- Manual Roller Shades on Side Windows
- 22.5" Radial Tires with Stainless Steel Wheel Liners
- Valve Stem Extenders on Rear Wheels
- Dash Workstation with 110-volt & 12-volt Outlets

## INTERIOR

- Residential Vinyl Flooring Throughout
- High-Gloss Glazed Cabinetry with Solid Wood Raised Panel Cabinet Doors & Nickel Finish Hardware
- Solid Wood Veneer Paneling
- LED Lighting
- Soft Touch Vinyl Ceiling
- Window Solar & Privacy Shades in Living Area
- Leatherette Euro Recliner with Integrated Ottoman (33.2)
- Leatherette Sofa with Air Bed
- Dream Dinette® Booth
- Electric Fireplace with Remote Control (36.3)

## INTERIOR OPTION

- Leatherette Reclining Theater Seating with Footrests (36.3)

## KITCHEN

- 16 cu. ft. Stainless Steel Residential Refrigerator
- 3-Burner Gas Cooktop
- 30" Over-the-Range Convection Microwave Oven
- Solid Surface Countertops
- Large, Double Bowl Stainless Steel Sink & Single Handle Faucet w/Pull-Down Sprayer
- 12-volt Attic Fan with Cover

## BEDROOM & BATHROOM

- Denver Mattress® King Size Bed w/Tilt-A-View™ Inclining Mechanism (36.3)
- Denver Mattress® Queen Size Bed (33.2, 33.3, 33.4 & 36.1)
