TENT
CAMPERS

10.0 ▼ Aluminum Package Décor

Comfortable sleeping and dining accommodations are offered in every QuickSilver. No matter which way you turn, our generous windows provide fantastic vistas and zip up nice and tight at night.

Livin' Lite's QuickSilver Tent Campers feature an all-aluminum superstructure. With dry weights starting out around 700 pounds, there isn't a need to go buy a big truck to tow – your family passenger vehicle can pull it with ease!

Not only are they lightweight, they're incredibly durable. The front of the camper is protected with a tough black diamond plate rock guard. The aluminum-clad exterior is available in nine automotive paint colors. Additionally, the interior features all-aluminum construction, and the interior wallboard is Azdel®-backed, which is mold and mildew resistant. No wood, no rot!

10.0 ▼ Aluminum Package Décor

QuickSilver tent campers are versatile and lightweight, offering removable furniture, generous storage and best of all, all-aluminum construction, which means, NO ROT!

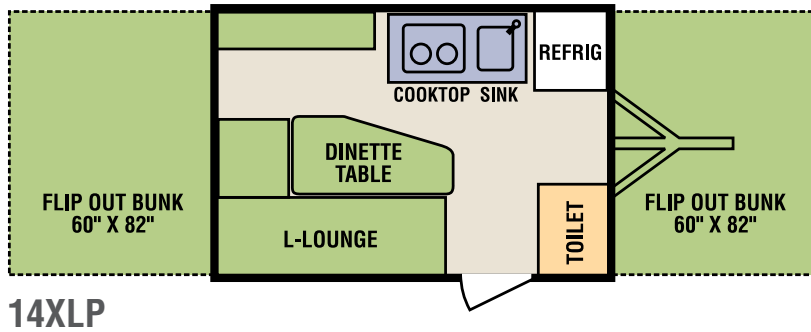

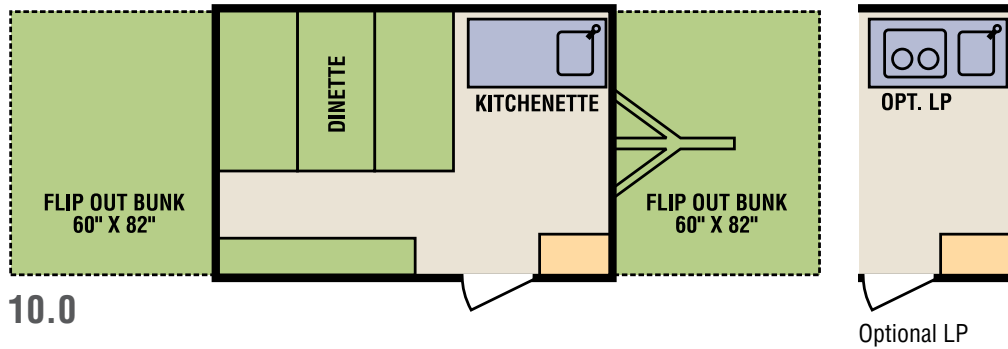

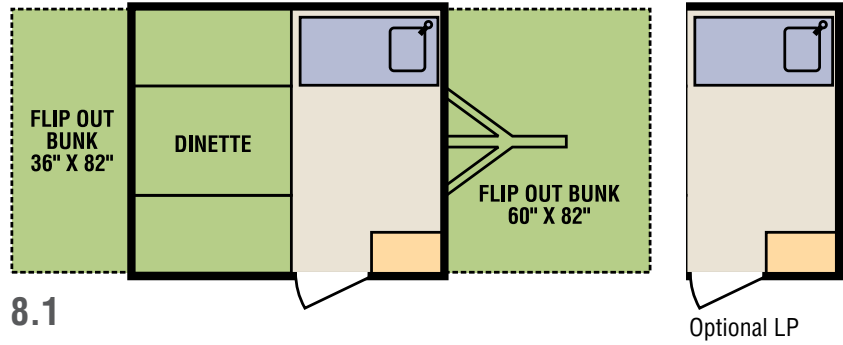

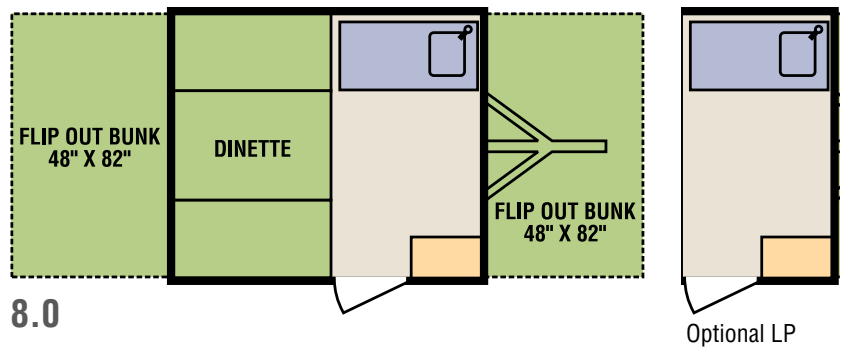

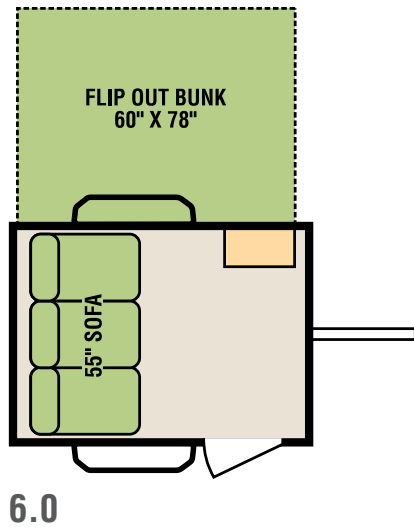

10.0 ▼ Aluminum Package Décor

Dinettes and L-lounges convert for extra sleeping spaces.

10.0 ▼ Aluminum Package Décor

The 10.0 flip-up kitchenette offers counter-height food prep, and the 14XL kitchenette includes a 2-burner cooktop.
