170 Versatile

A wide-angle photograph of the interior of a motorhome. In the foreground, a white rectangular table is set with two bowls of cereal with strawberries, two glasses of orange juice, a white teapot, and a yellow mug. The table is positioned between a grey leather seat on the left and wooden cabinetry on the right. In the background, a beige sofa with blue cushions is visible, along with a kitchen area featuring a sink and stove. The interior is finished with wood paneling and has overhead lighting.

Peace of Mind RV warranty

Roadtrek's six-year industry leading unlimited mileage warranty covers the manufacturing of the motorhome, appliances, electronics, plumbing and EcoTrek batteries. It is fully transferable from the first owner to the second owner.

*Original manufacturer's warranty on all appliances will be applied first. This warranty excludes the complete chassis (original chassis manufacturer warranty applies) and AGM batteries (AGM batteries have a normal one-year manufacturer's warranty.)

Chassis warranty

3-year/36,000 mile or 60,000 km limited "bumper to bumper" warranty and 5-year/60,000 mile limited powertrain warranty as offered by General Motors. See chassis manufacturers' website for full details.

Innovative technology

EcoTrek is a lithium power module that revolutionizes the boondocking experience.

- Worry free battery management
- Module will charge and discharge in weather conditions from -40° to 120° F

VoltStart will automatically start engine to recharge batteries:

- No key required in the ignition
- Works anytime of the day or night
