

THE NEW 2017

# Tiger Moth<sup>®</sup>

[taxaoutdoors.com](http://taxaoutdoors.com)

**TAXA**  
OUTDOORS

# THE ULTIMATE CAMPER MEETS GEAR-HAULER

**Exterior Storage** - Roof rack system, tongue mounted toolbox, and bumper steps provide the right storage for each piece of gear

**12" of Ground Clearance** - Rugged 15" radial tires and torsion axle provide industry best ground clearance

**Side Hatch** - Provides for easy loading and increased connection with the outdoors

# ENDLESS CONFIGURATIONS

Ample stowage space and attachment points give you endless configurations for all your adventure gear.

Your kit and your grub go in the huge extending kitchen drawer.

Sleeps two adults comfortably -plus maybe a dog.

# EVERYTHING YOU NEED TO GET OUT THERE

- 1 Pull Out Kitchen Drawer** - 48" slide out drawer holds the Taxa designed kitchen box and allows for storage of long items
- 2 12 Volt LED Lighting** - Find the right light for any time of day with task, ambient, and night lighting in the cabin
- 3 NASA-Inspired Storage** - Attach points, hooks, and bungees create space for wall mounted and ceiling mounted cargo
- 4 Convertible Bed** - Allows for two adults to sit during the day and sleep at night
- 5 Views and Ventilation** - Three windows, with integral shades and screens frame your views and provide great cross ventilation. Throw open the side door and drop the screen curtains for a full, open-air porch.

## **RUGGED AND LIGHTWEIGHT THE TIGERMOTH IS TOWABLE BY ANY 4-CYLINDER VEHICLE**

With a length of 12', a width of 6'-6" (no wider than the average car), and a total dry weight of 900lbs, the TigerMoth allows you to tow it almost anywhere with whatever you drive.
