EASY TO TOW. EASY TO LOVE.

Just Big Enough for Everything You Need

When seeking your next adventure, whether it be canoing, kayaking, hiking or biking, the MyPod has you covered. It packs a ton of great features into a compact package. All while towing next to nothing.

The Ultra Lightweight Camping Companion

MyPods are designed to be lite – something your current car can actually pull. These trailers are well under the threshold for virtually any car. The MyPod is ideal for a sub-compact or even a trike. The MyPod boasts a 100% fiberglass molded body which sits on an ultra lightweight aluminum frame.
