SHASTA - REVERE TRAVEL TRAILERS ■ AFFORDABLE LUXURY, EVERLASTING STYLE

BEST-IN-CLASS

SHASTA REVERE 2

## ■ FLOORPLAN LAYOUTS DESIGNED FOR EVERY SITUATION

Whether traveling alone, or hosting the extended family, we have a layout to fit your needs. Exploring the beach with kids or grandkids, taking a walk in the woods with your favorite pet or relaxing alone by the base of a mountain, Revere is right at home.

## ■ EVERYWHERE YOU TURN, SHASTA HAS ADDED VALUE

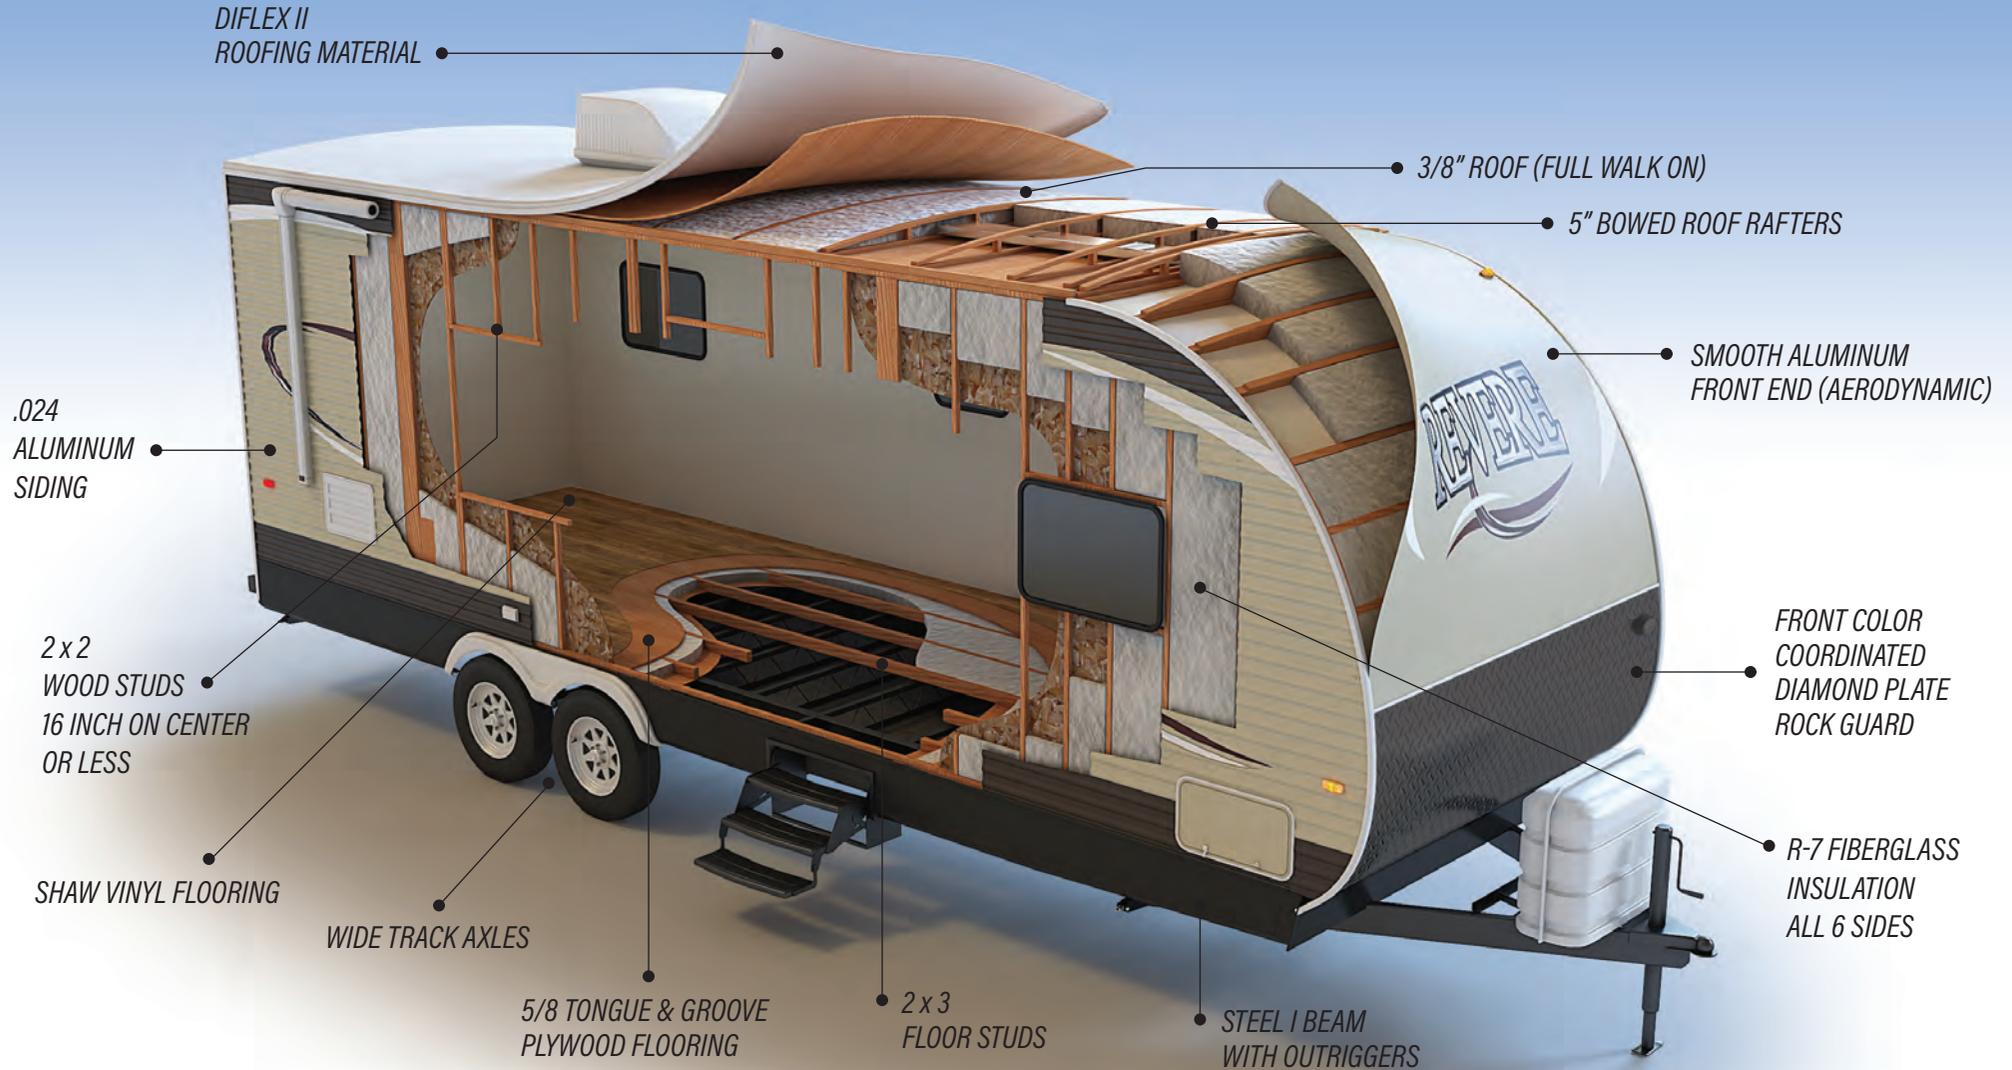

The 10 cubic foot residential refrigerator, pleated shades, LED lighted decorative ceiling tray, Stainless steel appliance package, under mounted double bowl sink with high rise faucet and quality cabinetry are all standard equipment.

# SMALL DETAILS, BIG DIFFERENCE

## ■ REVERE STYLE REALIZED

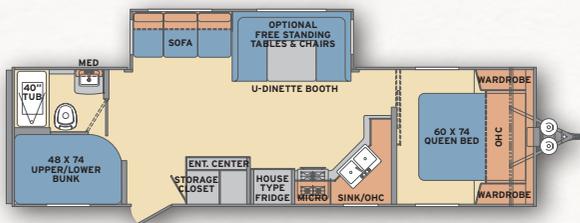

Oversized windows, decorator inspired valances, soaring 7' ceilings and bright, yet warm, LED lights add to the Revere's residential feel. Expansive storage is available behind the solid wood cabinet doors and the reliable electric slide mechanisms multiply your living space.

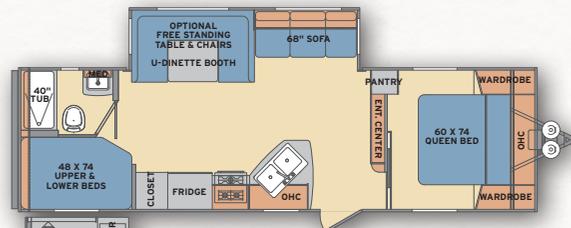

## ■ AFFORDABLE LUXURY, EVERLASTING STYLE

We are extremely proud of the quality and value that Shasta has demonstrated for more than 75 years. Shasta remains dedicated to continuing the exceptional level of construction and the style that Revere represents not only through our use of superior materials, but by our dedication, care and commitment to value throughout our manufacturing process.

# THE SHASTA STORY - Leading Value in the RV Industry

In 1941, the first Shasta "house trailer" was built to be used as mobile military housing. Today, over 75 years later, Shasta remains an important player in the multi-billion-dollar RV industry. As one of the industry's longest producers of recreational vehicles, Shasta is proud of its longevity. We've earned our success in the best possible way - through experience ... more experience than any other RV company in the world. Shasta's respected name prevails in today's fast-moving RV industry because of experience, combined with a strong, service-oriented dealer network, a loyal, repeat customer base, and our outstanding association with our parent company, Forest River.

### TOWABLES DEFINITIONS

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

**UVW (Unloaded Vehicle Weight)** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The **UVW** does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. \*Estimated Average based on standard build optional equipment.

**CCC (Cargo Carrying Capacity)\*\*** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. \*\*Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

**24/7 EMERGENCY ROADSIDE ASSISTANCE**

For a worry-free ownership experience, Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

**Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:**

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
