Freedom to Explore / Freedom to Choose

Freedom Express Ultra Lite laminated travel trailers are an escape from everyday life for fun, hassle-free adventures. These ultra lites are value-packed with industry leading features, and are specifically designed for towing with today's popular half-ton pick-up trucks and SUVs. All models are built with durable, lightweight Azdel composite panels that withstand rot, mold and water damage for years of worry-free use. Our floor plans incorporate customer input to accommodate families and empty nesters in comfort. Freedom Express has repeatedly won the prestigious DSI Award, by constantly innovating and blending today's technology and style. There's no better way to enjoy a good old fashioned campfire!

Explore our selection for the ultimate in safety and reliability:

Liberty and Maple Leaf Editions - include high end amenities usually reserved for travel trailers and fifth wheels costing thousands of dollars more.

Freedom Express Ultra Lites - Packed with industry leading features

Pilots - Single axle towables, loaded with amenities

Blast Toy Haulers - Versatile half-ton towables for active lifestyles

Select - Value added lite weights

Stable-Ryd® Suspension

- Spread axle improves weight distribution.
- Wide track axles provide a wider, more secure stance on the road.
- Spread axle design allows us to reduce the tongue weight for optimum performance.
- Spread axle design reduces sway caused by crosswinds.

Lightweight

- Laminated sidewalls and floor
- Azdel behind the fiberglass
- Bow trusses aluminum and wood
- Rod and angle crossmembers in frame
- All tanks mounted under floor to lower center of gravity and improve interior storage.

Aerodynamic

- Aerodynamic front profile (Cuts through the air)
- Enclosed underbelly reduces turbulence/drag. (Select models)

Construction Features

Liberty and Maple Leaf Editions feature a Gel Coat Fiberglass cap.

1. 3M breathable graphics
2. Tinted, safety glass windows
3. Crowned trusses
4. Aluminum reinforced with 3/8" roof decking
5. EPDM bright white rubber roofing
6. Azdel composite panels
7. Aerodynamic front profile
8. Dual 20 lb. LP gas tanks
9. Welded aluminum structure, vacuum-bonded sidewalls and flooring
10. Smooth exterior fiberglass skin
11. Aluminum framed openings
12. Fully enclosed, heated underbelly (N/A Expandables)
13. Fully welded tubular aluminum floor structure
14. Happijac SureTrac™, rack and pinion, and Schwintek slide systems
15. Congoleum Designer Carefree Resilient Flooring
16. Powder E-coated, welded I-beam frame
17. Super-Lube® axle hubs
18. Stable-Ryd® spread axle design (25' and above)
19. Nitrogen filled radial tires

Lightweight Towability and Enhanced Aerodynamics

Freedom Express Ultra-Light travel trailers are ideal for half-ton tow vehicles and optimized fuel efficiency. Designed with fully laminated, aluminum framed walls and floor, these travel trailers and hybrid expandables are incredibly lightweight and durable.

Freedom Express is TRA gold level rated. As a certified green RV, Freedom Express utilizes effective production techniques in combination with healthy materials, plus efficient usage of energy and water to produce a high quality RV with less environmental impact.

The 293 RLDSE has many windows and includes an L-shaped kitchen, a large bath with an oversized vanity and plenty of storage. It's the perfect size to tow with a half-ton truck. Shown in Walnut decor.

The 321 FEDSLE's private rear slide master suite has amazing wardrobe storage. This floorplan includes a handy cordless rechargeable Dyson® vacuum.

Experience game day action in style on this 55" Smart TV. The front living room in the 321 FEDSLE is so expansive, there's enough room to jump up and dance with every home run! There's not a bad seat in the house with theatre seating, plus an opposing Hide-a-Bed sofa and convenient service bar with stools. Shown in Sienna decor.

This bath has a spacious, super-size 30" x 50" shower with a glass enclosure and abundant linen storage.

FREEDOM EXPRESS ULTRA LITE EXPANDABLES

Freedom Express Expandables sleep up to 10 people - under 5,000 lbs. to tow

Pack all the livability of a 28'-33' travel trailer into the towability (and price) of a 21'-23' trailer. Freedom Express Expandables are easy to tow and come with the Secure-Lok tent system which eliminates the hassle of Velcro or bungs, making set-up and tear-down a snap - even for one person.

Open space is abundant in the 23 TQX with the king U-shape dinette slide. Bring everyone along on the trip with sleeping for 10 and plenty of room for the extras. All of our expandable floorplans maximize living and seating with style and efficiency only found in Freedom Express.

Coachmen Interactive Mobile Manuals

Download your Coachmen mobile app or visit our dynamic online manual to enhance your ownership experience.

These interactive options provide incredible ease and insight into use, maintenance and enjoyment of your Coachmen product.

Ranging from "How-To" videos, pictures

and illustrations of various components, systems and features to fully searchable content and downloadable PDFs for individual component owner's manuals, answers are always just a click away.

Travel Easy™ Roadside Assistance
RVing is easier with Coachmen's Travel Easy™ Roadside Assistance provided FREE the first year of ownership to those who purchase a New Coachmen RV. Administered by

Coach-Net, this service provides you with 24/7 operational, technical and emergency road service coverage. Also included is towing, fuel delivery, jump starts, lockout service, tire changes, mobile mechanic and unlimited technical assistance. Anywhere. Anytime. Travel Easy™ is the security of knowing that help is an easy phone call away.

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.
