# TRANSPORTING PURSUE

Chase Flyer is the micro-lite camper that changed the way people look at camping. Chase makes getting out and exploring even the most rugged terrain easy and it can even be towed with a small car. Built to last and create a lifetime of memories, where will you Chase your next adventure?

Pursue Flyer takes micro-lite camping to new levels. Small in size, big on features, Pursue is slightly larger than the Chase Flyer. The available slideout kitchen sets up in just seconds...Pursue was designed to give you and your family more time to enjoy the outdoors and less time setting up camp. Are you ready to Pursue your next big adventure?
