GARMIN®
powered by **FUSION**

JAYCO-EXCLUSIVE GARMIN INFOTAINMENT SYSTEM POWERED BY FUSION

New for 2018 and exclusive to Jayco motorhomes, this easy-to-use, detachable touchscreen system delivers the convenience of connectivity, doubling as a custom RV navigation and four-zone AM/FM/Bluetooth®/USB entertainment system.

Gross Vehicle Weight Rating (GVWR): The maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UUV) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UUV and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

1. **One-piece seamless fiberglass front cap** for increased durability and ultimate weather protection
2. **750-pound overhead bunk capacity** offers nearly 250 pounds more than the industry average for greater safety and peace of mind
3. **Premium Sikkens paint** gives you a superior, more durable finish
4. **50-amp service and auto-generator start** offer an enhanced electrical system for the best in comfort and remote cooling when needed
5. **Seatbelts in every seating position** secure the most precious cargo
6. **Fiberglass running boards**
7. **Dual-pane, tinted and frameless safety-glass windows**
8. **Fiberglass entrance door** with oversized frameless window
