The Newmar Difference goes beyond our industry-leading motor coaches to deliver you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 quality checks before ever leaving the Newmar factory.

As a Newmar owner, you'll find resources specific to your coach through **Newgle**, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Join Newmar and meet fellow owners through the **Newmar Kountry Klub**, a top social club for RV travelers. Or, connect using the world's only social sharing network created for RVers, by RVers — **RoadLens.io**.

SEAMLESS SERVICE

Available 24/7, our service specialists guarantee dealer repair authorization within four hours, and all in-stock parts ship the same day, free of charge. If a part is out of stock, we'll pull it from our production floor or order the part from the appropriate vendor right away.

ROCK-SOLID WARRANTY COVERAGE

All models include a 1-year/unlimited mileage limited warranty and a 5-year, non-transferable structural warranty that covers your vehicle's superstructure in the event it fails to perform. Ask your Newmar dealer for details.

THE NEWMAR LEGACY

50 years, built one by one.

Driven to engineer and build the highest-quality RVs the world had ever seen, Marvin Miller and Marvin Newcomer founded Newmar Corporation in 1968.

The pair set up shop in the small Midwest woodworking town of Nappanee, Indiana, where they discovered the people who would establish Newmar as a leading RV manufacturer over the next half century. Artisans and engineers, product designers and quality-control experts to whom being the best is more important than being the biggest.

As we move toward 100 years as a company, our products will continue to evolve. But one thing that will never change is our commitment to hand-crafting excellence, one coach at a time.
