NEVER TURN BACK FROM AN ADVENTURE.

With the 2018 Rubicon, the only thing standing between you and Mother Nature is the open road. 1. The garage's dovetail entrance makes loading and unloading your favorite toys easier than ever.

2. The Happijac bunk bed system makes for extra sleeping space in a pinch.

3. With zero wheel well protrusions in the garage space, you have even more room to store your larger toys.

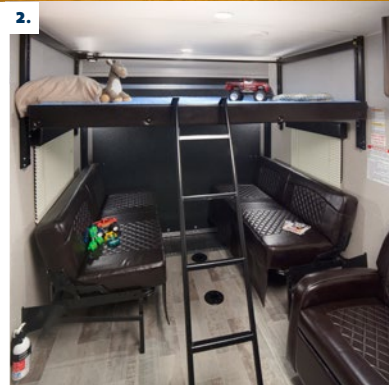

4. Stay up as late as you want and let the good times roll with Rubicon's LED lighted awning and exterior speakers.

THE INDUSTRY'S BEST WARRANTY

Every Dutchmen RV comes with our all-new 3-year limited structural warranty. That means Dutchmen owners can expect an entire extra two years of protection and peace of mind during their on and off-road adventures.

MORE STANDARD FEATURES MORE VALUE

Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it "bang for the buck," "more for your money," or simply "more value." **We've built a reputation for bringing RV owners more standard features for less money** for more than 25 years... and it's a reputation we plan to keep.

At Dutchmen, quality is our standard. **Every single Dutchmen RV off the line receives its own pre-delivery inspection.** Typically, competitors perform only random inspections, meaning you won't find this commitment to quality anywhere else.

More than 300 Dutchmen dealers across North America and our industry-leading service center in Goshen, Indiana, combine for your peace of mind before, during and after the sale. Rest assured no matter where your travels take you, **the best-resourced RV manufacturing company in the world is behind you all the way.**
