Atlas Touring Coach

A tale of two titans.

Airstream

Since Wally Byam first envisioned enabling people to travel whenever and wherever they fancied without forsaking the comforts of home, Airstream has built a reputation for iconic design, functional craftsmanship and impeccable quality. And in creating the innovative Interstate Touring Coach alongside Mercedes-Benz, Airstream pioneered the path of luxury travel, holding the torch of #1 Class-B diesel motorhome for six years.

Mercedes-Benz

The three-pointed star on the Atlas symbolizes the promise that Mercedes-Benz has kept in every one of its vehicles since its inception in 1886 – to deliver the best or nothing.
