NEW AIRE *diesel motor coach*

premium PROPORTIONS

Measuring just 33 feet in length and sitting a mere 12 feet tall, the 2019 New Aire uses Comfort Drive™ adaptive steering technology to provide an SUV-like driving experience by way of a custom-engineered Freightliner® chassis. But it's what's inside that proves once and for all that big luxury really can be had in a smaller package. Filled with hardwood cabinetry donning a light, pattern-rich finish, New Aire positions sumptuous furniture dressed in soft Ultrafabrics® upholstery atop polished porcelain tile complemented with natural veining.

Despite its tailored exterior dimensions, the New Aire cabin is big on space, with both quad-slide and triple-slide with full-wall expansion layouts available. Giant double-pane windows let you surround yourself with the great outdoors, while a standard Wi-Fi signal booster makes it easy to stream your favorite shows. PACKED FULL *of* SURPRISES

Inside the cockpit, a distinctly modern arrangement seats you and yours in power-adjustable heated captain's chairs, including a queen-sized passenger seat with a footrest and stowable workstation. From there, dual monitors present a Rand McNally® navigation system and a new tri-view rear camera display, along with an available 360 degrees of outside visibility. In the living area, transform movie night with a Sony® 4K TV matched to a Blu-ray player and Bose® soundbar.

Teeming with flavor

MODERN *culinary* ART

Tucked in between a gorgeous carved hardwood fascia, floor plan 3345 treats you to a Hide-a-Leaf dinette that rests above even more polished porcelain that extends each and every slideout. To the right of a full-length rectangular kitchen window lie all-electric appliances including a stainless steel Whirlpool® convection microwave, French-door refrigerator, portable induction cooktop, and an available Fisher & Paykel® dishwasher.

CARMEL GLAZED CHERRY HARDWOOD CABINETRY

40" x 32" GLASS-DOOR SHOWER

The way you want
NO DETAIL
is TOO SMALL

Beneath a large medicine cabinet and ample linen storage lies an all-glass mosaic backsplash that extends throughout the master bath as part of the solid-surface shower and vanity. A glass-door shower now boasts a folding teakwood seat, with an extra-large showerhead and power vent with rain sensor up above. In need of storage? New Aire delivers with either a china cabinet or dry bar that doubles as a pantry with pull-out shelves.

A practical oasis

OPEN UP to AMAZING

Enter the master bedroom through a gorgeous hardwood pocket door that showcases a reeded glass insert and uncover a queen bed topped with an available Sleep Number® adjustable mattress backed by a sliding-window headboard. Then, look up and discover six inches of extra headroom made possible by a New Aire-exclusive bedroom Cathedral Ceiling. For 2019, every New Aire houses a 43-inch 4K LED TV and Blu-ray player, along with a rear-wall wardrobe that can be had with a Whirlpool® washer and dryer.

DUAL NIGHTSTANDS

The motorhome reimagined

THE LATEST *and* GREATEST

Along with the added strength and durability supplied by the STAR Foundation, the 2019 New Aire raises the bar on safety with standard side-view cameras and the RoadWatch™ package, which combines electronic stability control, automatic traction control, and available OnGuard™ adaptive cruise control with collision mitigation technology. Plus, New Aire offers a myriad of customization options, starting with an outdoor entertainment system, a coach-mounted hammock, power storage trays, and a pull-out Dometic® freezer.

Floor plan 3345

OH-SO-THOUGHTFUL

With three slideouts led by a full-wall slide on the door side, floor plan 3345 reveals a driver's side solid-surface dinette that includes two upholstered chairs. Located mid-ship, a roomy kitchen touting a stainless steel under-mounted sink sits across from an enclosed master bath, with all shower spaces now outfitted with a water conservation system. Soft-close dovetail drawers and satin nickel door and drawer hardware can be found throughout, in addition to multiplex LED lighting.

A NEW SENSE *of* DIMENSION

Drawing inspiration from several unique areas of design, Shadow décor features smooth tones, with temperate greys and white sand Ultrafabrics® upholstery mixing with stone-colored countertops and window fabrics. Black diamond lattice stitching covers the bedspread, with a black bolster pillow set in between a pair of layered bed pillows, completing a look that's as contemporary as it is timeless.
