YOUR *dream* HOME COME TRUE

Real beauty is defined by the details, which is why Essex displays meticulously crafted elements top to bottom and side to side, from a multi-dimensional Feature Ceiling and carved hardwood side fascia, to porcelain plank tile that covers each flush-floor slideout. And while several floor plans are furnished with a chaise lounge opposite a sleeper sofa, most are also available with a Hide-A-Bed and jackknife sofa, as shown. What's more, a Samsung® tablet places you in command of most coach functions, even remotely.

EXPLORE *with* CONFIDENCE

The Essex cockpit improves overall visibility with a pair of monitors that display both side-view and tri-view rear cameras, while a 360-degree perspective is optional. Heated captain's chairs are available with a massage feature and passenger navigation screen, while, steps away, two Sony® 4K TVs with a Blu-ray player and Bose® soundbar await. Just before the galley, a standard Hide-a-Leaf dinette can be swapped with one of several choices, including a U-dinette with a power-adjustable table, as shown.

The right ingredients

A delectable SPACE

Perhaps no other motorhome kitchen combines beauty and convenience better than the 2019 Essex. For looks, there is the super-polished countertop, arabesque backsplash, and a Whirlpool® French-door refrigerator overlaid with hardwood panels. For convenience, look to the Delta® Touch₂O faucet and available Fisher & Paykel® dishwasher, with floor plan 4551 boasting a large pantry with sliding drawers. Like to eat in? Essex treats you to both a recessed induction cooktop and a convection microwave.

PEARL GLAZED MAPLE HARDWOOD CABINETRY

Awaken renewed

TRUE *beauty* LIES WITHIN

Separated by a step-up master bath, the Essex suite first welcomes you with a lavish king bed and Sleep Number® adjustable mattress decorated by a gorgeous bedspread, an ultra-soft throw blanket, and your choice of a sliding-panel or Ultraleather®-wrapped headboard. Six soft-close drawers are positioned up front, and each nightstand grants you a wireless charging station. An in-room touchscreen can adjust multiple coach settings, while a Blu-ray player and Bose® soundbar are capable of making every movie night memorable.

43-INCH SONY® 4K TV

Oh-so refreshing

YOUR *suite* ESCAPE

With every Essex floor plan touting a mid-ship half-bath, your guests can enjoy many of the same appointments as you. Of course, the master bath houses numerous top-tier amenities, such as a raised Cathedral Ceiling. Floor plan 4551 takes the standard glass-door shower complemented with tile, a folding seat, and a Fresca® massage panel, and stretches it to an astonishing 50"x 34" in size. A twin-sink vanity is made for two, and a cabinet concealing a Whirlpool® washer and dryer comes standard.

EXCEEDS *your* EXPECTATIONS

Showcasing our intricately designed Masterpiece™ finish, the 2019 Essex is a showstopper. Gatherings are a guaranteed good time thanks to a Dometic® pull-out freezer and available outdoor entertainment center. And safety is uncompromising, providing electronic stability control, tire-pressure monitoring, and optional OnGuard® adaptive cruise control with collision mitigation technology. Finally, our ultra-durable STAR Foundation allows for a quieter ride, with direction delivered by a Rand McNally® navigation system.

A captivating appearance

Floor plan 4551

THE ONE *with* EVERYTHING

Integrating a long list of popular features and arrangements from our most popular 45-foot floor plans, 4551 extends by way of three power slideouts that include a full-wall extension. Opposing sofas welcome you aboard, and the dinette located on the off-door side is positioned just in front of an expansive cabin window. Behind is a mid-ship refrigerator next to a wood pantry, with a half bath across the hall. The rear master bath shows off our largest shower in addition to a full-length wardrobe.

THE PINNACLE *of* STYLE

Led by beautiful Ultraleather® fabrics and sandstone solid surfaces, Rialto represents a fresh take on modern sophistication. There are an abundance of layers, plus contrasting colors and custom-designed upholstery, starting with two-tone harper beige and twine lattice throw pillows. The bedspread is woven with a pattern that blurs the line between floral and geometrical, with matching pillows displaying a tweed-like fabric.
