THE HEART OF LUXURY THE SOUL OF FREEDOM

America has never once imported luxury in the form of a motor coach, simply because no one understands the pursuit of progress like the men and women of America. Here at American Coach, we're especially proud of this luxury distinction. Innovation runs in our blood, craftsmanship streams through our pores and patriotism drives our all-American designs. Come discover our American story, one of innovation in a world of elite luxury. America's freedom is calling. Let our luxury move you.

AMERICAN DREAM

BLUEPRINT FOR ATTENTIVE FLOORPLANS

All new floorplans designed for the 2019 Dream riding on a custom Liberty Chassis and offering the most intuitive cab features, the American Dream RV makes getaways especially enviable. Plus, with an attention to detail that only American Coach delivers, this American Dream coach exceeds every expectation.

AMERICAN DREAM

LUXURY OUTSIDE YOUR IMAGINATION

For those who dream of living in American luxury, we built the American Dream, a motorhome that takes comfort and style beyond the imaginable. Luxury is found in every corner. With an attention to detail that only American Coach delivers, the American Dream exceeds every expectation. Residential style kitchen amenities from the stainless steel refrigerator with in-door water and ice to residential style faucets, countertops, microwave and dishwasher. Imagine the freedom to Dream.

AMERICAN DREAM

AMENITIES ABOVE YOUR EXPECTATIONS

For those who dream of living in American luxury, we built the American Dream, a motorhome that takes comfort and style beyond the imaginable. Luxury is found in every corner. With an attention to detail that only American Coach delivers, the American Dream surpasses with industry-best inclusions, like Aurora dash air conditioning, heating, and defrost (the highest industry output at 23,000-BTUs), and an exclusive Avionics entry door with pneumatic air latches. Then there's the AquaHot 450D, which provides unlimited, on-demand hot water that's also fully electric capable without ever having to use diesel fuel. Did we mention all the options? How about an optional Lithium battery package and patented emergency exit door?

AMERICAN DREAM THE ART OF LUXURY

The 2019 Dream will turn miles into memories with its modern upgrades and extreme attention to detail. This includes new front to back interior styling, brilliantly redesigned décor, 4K UHD TVs, as well as a Encore Series memory foam bed. Then, when it's time to focus on the road, the Dream comes with the all-new Select Drive™ steering column for improved steering performance. Offering benefits like secondary assist capability, speed proportional assist, and decreased noise, the Select Drive will give you a safer experience, while elevating your comfort and reducing fatigue.

Regardless of location, whether it's the coast or the heart of America you're after, the 2019 American Dream is your path to a whole new world of motorhome standards.

THE FREEDOM TO SOAR TO NEW DESTINATIONS

Then, there's the power to travel far and wide, starting with the Select Drive™ steering system, found on all 2019 American Eagles. After all, what better way to soar than with a premium steering system that reduces driver fatigue while increasing safety? Select Drive assesses driving conditions that are then relayed via the steering column to provide appropriate feedback to you, the driver. This delivers some of the best motorhome steering in the industry, as well as secondary assist capability, a decrease in noise, and more. Add that to new styling for driver and passenger seats, stately valances, front stainless-steel accents, dual air and hydraulic leveling, and all that's left for you to do is enter through your exclusive Avionics entry door, take the wheel, and spread your wings.

AMENITIES ABOVE YOUR EXPECTATIONS

So, what does open road freedom mean to you? Maybe it's the OptiView dash that gives you an anti-glare display and touchscreen experience when engaging the radio, cameras, and essential functions? Or, maybe it's the steel-mounted windshield, inverted mirrors that eliminate blind spots, or even the Firefly LCD display that gives you a modern way to control your electronic systems? No matter what inspires you to travel, you'll find the confidence to embark with the fully-loaded 2019 Eagle. Plus, for those who choose to soar higher than the rest, there's the American Eagle Heritage Edition. The Heritage adds a refined elegance with further exterior color options and yacht-level Thermafoil™ cabinetry styling.

IMPORTANT — PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.AmericanCoach.com or contact your local American Coach dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. American Coach has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

DISCLAIMERS

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity*.
 - GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
 - GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to American Coach and chassis manufacturer's manuals for complete information.
 - Length measured from front bumper to rear bumper (excludes accessories).
 - Excludes safety equipment and awnings.
 - Motorhomes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage. N/A = Not Applicable
- † The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependant on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
- †† The Minimum Towable Load of this vehicle is the available weight capacity, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight capacity can be added to your Towable Load. For example, if your coach is loaded to 1,000 lbs less than maximum GVWR, your Towable Load increases accordingly. Do not exceed the hitch rating weight, GVWR or GCWR.
- * UVW and OCCC are found on the label containing the federal certification tag in each RV.
- ** Seatbelts and locations are shown in the brochure for display purposes only. Actual numbers and locations will vary by model.
- *** All 2019 REV Recreation Group motorhomes include a limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and is fully transferable for the first 12 months.

AMERICAN PRIDE

America has never once imported luxury in the form of a 40-foot-plus motorcoach, which is why we take great pride in this one-of-a-kind distinction. The shiniest surfaces, the richest leathers, and the most intuitive innovations are a mark of American luxury. We combine these enviable touches with an attention to detail that surpasses all other luxury Class A Diesel RVs. Innovation runs in our blood, craftsmanship streams through our pores and patriotism drives our all-American designs. Discover American luxury at its finest ...

RIDING ON CONFIDENCE

An exceptionally built motorcoach should ride on an equally exceptional foundation. The Liberty Chassis features a Freightliner V-Ride™ rear/drive axle for increased sway control and better coach handling. The heavy-duty steel bridge, along with the Freightliner UltraSteer® B-Series tag axle, provides added strength, increased maneuverability and better handling for confident command of the road ahead.

Then, there's the power to travel far and wide, starting with the Select Drive™ steering system, found on all 2019 American Coach's. What better way to soar than with a premium steering system that reduces driver fatigue while increasing safety? Select Drive assesses driving conditions that are then relayed via the steering column to provide appropriate feedback to you, the driver. This delivers some of the best motorhome steering in the industry, as well as secondary assist capability, a decrease in noise, and more.

FREIGHTLINER ULTRASTEER B-SERIES

The UltraSteer B-Series straight-beam axle and wide-track suspension arms provide increased lateral stiffness, offering complete control and precise maneuvering in all conditions.

THE INDUSTRY'S LARGEST STORAGE

ZF DOUBLE WISHBONE INDEPENDENT FRONT SUSPENSION & PREMIUM SACHS® SHOCKS

3 BENDIX® DISC BRAKES

4 V-RIDE™ SUSPENSION

The Liberty Chassis design creates extreme passthrough basement storage space for taller compartments, easier access and loads of room. American Eagle also features a one-key system for all storage and power door locks with key fob on select doors.

The front suspension features up to a 60° wheel cut for unmatched handling backed by the dependability of the ZF name, while custom-tuned Sachs shocks heighten comfort and increase safety.

Bendix front wheel air disc brakes deliver uniform stopping power and better steering control, while reducing brake fade and stopping noise.

The V-Ride axle suspension features increased towing capacity, allowing you to carry more gear while providing a durable, comfortable ride.

IDEAL BALANCE OF MUSCLE AND LUXURY TAKE FLIGHT

The horizon line has long called to America's pioneering spirit, each sunset begging to be touched. So at American Coach, we build a luxury motorcoach that will redefine your dream journey. Riding on a custom Liberty Chassis and offering the most intuitive cab features, and technology the makes getaways or full-time RVing especially enviable. Plus with an attention to detail that only American Coach delivers, this explicity coach exceeds every single expectation.

OUR PARTNERS
